Reporting Requirement – Felony Convictions

803.5 (a) The district attorney, city attorney, or other prosecuting agency shall notify the Medical Board of California, the California Board of Podiatric Medicine, the State Board of Chiropractic Examiners, or other appropriate allied health board, and the clerk of the court in which the charges have been filed, of any filings against a licensee of that board charging a felony immediately upon obtaining information that the defendant is a licensee of the board. The notice shall identify the licensee and describe the crimes charged and the facts alleged. The prosecuting agency shall also notify the clerk of the court in which the action is pending that the defendant is a licensee, and the clerk shall record prominently in the file that the defendant holds a license from one of the boards described above. (b) The clerk of the court in which a licensee of one of the boards is convicted of a crime shall, within 48 hours after the conviction, transmit a ***certified*** copy of the record of conviction to the applicable board. Where the licensee is regulated by an allied health board, the record of conviction shall be transmitted to that allied health board and the Medical Board of California.
