ENFORCEMENT COMMITTEE

Sergio Azzolino, D.C., Chair
Francesco Columbu, D.C.
Hugh Lubkin, D.C.

The Board of Chiropractic Examiners' paramount responsibility is to protect California consumers from the fraudulent, negligent, or incompetent practice of chiropractic care.

A quorum of the Board may be present at the Committee meeting. However, Board members who are not on the committee may observe, but may not participate or vote. Public comments will be taken on agenda items at the time the specific item is raised. The Committee may take action on any item listed on the agenda, unless listed as informational only. All times are approximate and subject to change. Agenda items may be taken out of order to accommodate speakers and to maintain a quorum. The meeting may be cancelled without notice. For verification of the meeting, call (916) 263-5355 or access the Board's Web Site at www.chiro.ca.gov.

The meeting facilities are accessible to individuals with physical disabilities. To: **Board Members**

From: Robert Puleo 
Executive Officer

Subject: **Ratification of Formerly Denied License Applications**

The Board of Chiropractic Examiners (Board) denies licensure to applicants who do not meet all statutory and regulatory requirements for a chiropractic license in California. An applicant has 60-days after the denial is issued to appeal the decision. If the applicant does not submit an appeal to the Board, the denial is upheld.

During November 1, 2012, and December 31, 2012, staff reviewed and confirmed that applicants met all statutory and regulatory requirements for licensure. There were no denials or appeals during this time period.

At this time, no ratification is necessary.

If you have any questions or concerns, please contact me at your earliest opportunity.

WHY USE OUR FACILITATORS

Any structured group activity that requires the input, involvement, understanding and commitment of every participant hinges on an experienced facilitator with advanced presentation skills. The time and participation from staff and board members is too important to spend on meetings that don't accomplish objectives and fail to deliver results.

SOLID's experienced facilitators can greatly benefit your Board or Bureau in the following situations:

- When results of a meeting are critical to the success of your Board or Bureau and there will be a variety of different views in the room.
- When there are many strong opinions and a consensus is required.
- When there are no apparent good answers and your Board or Bureau may need a creative approach to a solution.
- When neutral party guidance is necessary to build trust or get full participation.
- When your Board or Bureau staff lack the internal experience or expertise to manage and guide the group through the work process

CONTACT US

SOLID Planning Solutions will travel to your board or bureau meeting or office to deliver sessions.

**Organizational
DEVELOPMENT**

WHAT WE DO

Strategic Planning is a process by which we can envision the future and develop the necessary procedures and operations to influence and achieve that future.

We provide services designed to help your board/bureau plan for the future ahead!

STRATEGIC PLANNING SESSIONS

SOLID Planning Solutions will guide you in creating a plan which accurately reflects your Boards or Bureau's future goals and objectives. We will help you map out a mission statement, vision statement, and values that exemplify your program. Using a broad range of collaborative techniques, SOLID will then help you determine the strategic and fiscal direction of your organization. The selected strategy of your Board or Bureau should be implemented by means of programs, budgets, and procedures and should involve your Boards or Bureau's resources and motivation of the staff to achieve objectives. After the development of your strategic plan, SOLID will continue to work with your Board or Bureau to ensure your plan is put into action and will continue to monitor and adjust your plan as needed.

PROCESS IMPROVEMENT FACILITATIONS

Working collaboratively with the subject matter experts within your Board or Bureau, SOLID can help you tackle any internal processes or procedures that may need improvement within your organization. SOLID can assist with improving the workflow to reduce cycle times, errors, and cost within everyday work processes. The following process improvement strategies are utilized to assist with achieving your Boards or Bureau's objectives

- **Process Analysis** - SOLID will model and analyze your existing processes.
- **Improvement Identification** - By identifying bottlenecks within your current process, SOLID will determine what needs to be improved.
- **Process Change Introduction** - We help you modify your existing process to remove identified bottlenecks and improve workflow.
- **Measure Improvement** - SOLID will use different measurement techniques to indicate how the modified process has eliminated bottlenecks and improved cycle times.
- **Process Change Training** - SOLID will train staff on the new process to ensure successful implementation.
- **Change Tuning** - SOLID will continue to work with your Board or Bureau to evolve and improve process improvements as needed.

ACTION PLANNING SESSIONS

To ensure your Board or Bureau takes the necessary steps toward success within your organization, SOLID believes that action planning will create accountability in the workplace to get your Boards or Bureau's goals accomplished. SOLID has confidence that action planning provides a clearer sense of direction for your Board or Bureau. Our facilitators will use the goals and objectives from your strategic plan and will assist with assigning tasks and dates for completion that work toward these goals. Action plans identify the necessary steps to pursue your vision-let SOLID assist with turning your Boards or Bureau's goals into a reality.

MEETING FACILITATION

Are your meetings or events as successful as they could be? From the planning process through evaluation, SOLID can help you create successful, results-oriented meeting or event. Our trained facilitators will help you organize meeting logistics, facilitate meeting discussions and record action items. SOLID understands that results are achievable and predictable from well-planned and implemented meetings. SOLID will follow the necessary steps to ensure that

meeting attendees achieve expected, positive, and constructive outcomes from their time invested in meetings. Let us help plan your next Boards or Bureau's meeting effectively.

OUR FACILITATORS

Our facilitators have experience in the field of leading, consulting, and facilitating. We understand there is no single way to facilitate a meeting or event and that all boards and bureaus have unique needs. SOLID Planning Solutions can assist you with articulating your Boards or Bureau's needs by providing the proper tools and techniques to help achieve your goals.

OUR SERVICES

SOLID Planning Solutions is dedicated to the continual improvement and organizational development of our Department. We offer a wide array of services and programs to DCA's Boards and Bureaus, including strategic planning, process improvement, and much more.

MEMORANDUM

DATE:	December 13, 2012
TO:	Executive Officers/Bureau Chiefs/Division Chiefs Department of Consumer Affairs
FROM:	Denise Brown, Director <i>Denise Brown</i> Department of Consumer Affairs
SUBJECT:	2012 Legislation Impacting All Department of Consumer Affairs Licensing Programs

In order to assist with compliance, the Department of Consumer Affairs (Department) is notifying each of its programs about legislation passed last session that will have broad impact across all programs. This memo outlines those new laws and what is expected of each program. We understand you may have some questions or concerns regarding these new laws or their implementation. As such, please contact Tracy Rhine by phone at (916) 574-7800 or by email at tracy.rhine@dca.ca.gov.

SB 1099 (Wright, Chapter 295) – Changes to Regulatory Timelines

This legislation modified the effective date of regulations. Currently, regulations become effective, as a general rule, 30 days after the Office of Administrative Law (OAL) files the Order of Adoption with the Secretary of State (SOS). Beginning January 1, 2013, SB 1099 provides that a regulation, or an order of repeal, becomes effective on one of four dates: January 1, April 1, July 1, or October 1 of each year. As to which of the four effective dates a regulation will become effective depends on when OAL files the regulation with SOS. The following timeframes outline when a regulation would become effective:

- To take effect January 1, a regulatory change must be filed with SOS between September 1 and November 30.
- To take effect April 1, a regulatory change must be filed with SOS between December 1 and February 29.
- To take effect July 1, a regulatory change must be filed with SOS between March 1 and May 31.
- To take effect October 1, a regulatory change must be filed with SOS between June 1 and August 31.

For example, a program completes its regular rulemaking by the one-year deadline and submits the rulemaking to OAL for review. OAL still is required to approve or disapprove the rulemaking within 30 **working** days after the rulemaking has been submitted to OAL for review. OAL approves the rulemaking, and files the Order of Adoption with SOS on July 10, 2013. Notwithstanding any exceptions, as noted below, the rulemaking will become effective on October 1, 2013.

It is important to note that the date a regulation is submitted to OAL for OAL's review does not determine a regulation's effective date. The date the regulation is filed with SOS determines the regulation's effective date.

Exceptions to this new general rule are as follows:

- The effective date is specifically provided by statute; therefore the regulation becomes effective by the date provided in statute.
- A later date is requested by the program.
- An earlier effective date is requested in writing by the program, demonstrating good cause for the earlier effective date.

Each program is also required to do the following:

- Post a regulation on its website within 15 days of the date a regulation is filed with the Secretary of State. The regulation must stay on the website for a minimum of six months from the filing date.
- Send the website link to the OAL within five days of posting the regulation on the program website. OAL is requesting all state agencies send a copy of the link to the following email address: postedregslink@oal.ca.gov.

The use of the term regulation as used above means the Order of Adoption, which technically, is the regulation.

Section 100 regulatory files are not subject to the new quarterly effective dates. However, entities are required; effective January 1, 2013, to post the Section 100 regulations on their websites and send the link to OAL, as is the case with all other OAL approved regulations.

OAL currently is in the process of drafting regulations to implement SB 1099 to clarify the bill's requirements.

OAL sent a memo to Chief Counsels and Regulation Coordinators providing information about the new changes and how these changes will affect agency procedures. OAL also revised its Standard Form 400 in compliance with the new statute. These two documents can found at this website: [http://www.oal.ca.gov/Amendments to the APA 2012.htm](http://www.oal.ca.gov/Amendments%20to%20the%20APA%202012.htm)

AB 1588 (Atkins, Chapter 742) – Waiver of Renewal Requirements for Licensees on Active Duty

Beginning January 1, 2013, every program must waive the renewal requirements for a licensee if the licensee is serving on active duty in the Armed Forces or California National Guard. This new law gives each program broad regulatory authority to implement its provisions.

Renewal requirements waived under this bill include:

- Renewal fees;
- Continuing education; AND,
- Any other requirements as determined by the program.

Certain requirements for a waiver must be met:

- The licensee must possess a current and valid license with the program when called to active duty.
- The licensee must provide written documentation that substantiates the licensee's call to active duty.
- The licensee's renewal requirements are only waived for the period of time the licensee is serving on active duty.

As part of the waiver process, the licensee must also stipulate whether services will continue to be provided as part of their military service. All private practice is prohibited under the waiver. If a licensee will be providing services in the military, the license status must be converted to "military active."

For programs that choose to utilize a "military inactive" status, which should be applied to all licensees who are not specifically called to active duty to provide services under a license, it will be necessary to adopt regulatory changes specifying the new military inactive status.

Upon returning from active duty, a licensee must notify the program of the licensee's discharge within 60 days of the discharge date. The licensee is given six months to comply with all renewal requirements prior to providing any services under the license.

All programs will need to create a waiver process for qualified licensees to complete as well as a process for licensees who are discharged and returning from active duty. Each program can require additional information as necessary, but that information must be set out in regulations.

The Medical Board of California currently waives renewal fees for its licensees called to active duty. Its form can be found here: <http://www.mbc.ca.gov/forms/07a-106.pdf>

AB 1904 (Block, Chapter 399) – Expediting the Licensure Process for Spouses' of Active Duty Members

Beginning January 1, 2013, each program is required to expedite the licensure process for spouses and domestic partners of those on active duty. This does not mean that a license must be issued, but simply requires the process to be accelerated for these individuals. The applicant must provide evidence that he or she is also currently licensed in another state in the same profession.

Regulations should not be necessary for most programs; however, regulations will be necessary for those programs with initial application forms set specifically in regulation. Those programs not pursuing regulations must also keep in mind that it can only require applicants provide the necessary information in the initial application package that is required by statute. Programs cannot require an applicant complete a separate form without regulatory changes requiring it. If you have any questions, please contact your legal counsel for assistance.

AB 2570 (Hill, Chapter 561) – Prohibition on the Use of Gag Clauses

Beginning January 1, 2013, programs will now be required to enforce the prohibition on confidentiality agreements (also called “gag clauses”) in settlements involving licensees.

Programs are also prevented from requiring a licensee to pay additional sums of money to a consumer if the consumer and licensee have agreed to a settlement that provides for the full satisfaction of the consumer.

There is an important exception in the new prohibition that would authorize a program, upon a petition filed by a licensee or agent of a licensee, to adopt a regulation that would allow for certain “gag” clauses. Adopting a regulation or not is left to the discretion of the program. However, there is a process that must be followed upon receipt of a petition. The Department’s Legal Affairs Division has advised that any program that receives such a petition contact its legal counsel immediately for assistance with a response to the petition.

Assembly Bill No. 1588

CHAPTER 742

An act to add Section 114.3 to the Business and Professions Code, relating to professions and vocations.

[Approved by Governor September 29, 2012. Filed with Secretary of State September 29, 2012.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1588, Atkins. Professions and vocations: reservist licensees: fees and continuing education.

Existing law provides for the regulation of various professions and vocations by boards within the Department of Consumer Affairs and for the licensure or registration of individuals in that regard. Existing law authorizes any licensee whose license expired while he or she was on active duty as a member of the California National Guard or the United States Armed Forces to reinstate his or her license without examination or penalty if certain requirements are met.

This bill would require the boards described above, with certain exceptions, to waive the renewal fees, continuing education requirements, and other renewal requirements as determined by the board, if any are applicable, of any licensee or registrant who is called to active duty as a member of the United States Armed Forces or the California National Guard if certain requirements are met. The bill would, except as specified, prohibit a licensee or registrant from engaging in any activities requiring a license while a waiver is in effect. The bill would require a licensee or registrant to meet certain renewal requirements within a specified time period after being discharged from active duty service prior to engaging in any activity requiring a license. The bill would require a licensee or registrant to notify the board of his or her discharge from active duty within a specified time period.

The people of the State of California do enact as follows:

SECTION 1. Section 114.3 is added to the Business and Professions Code, to read:

114.3. (a) Notwithstanding any other provision of law, every board, as defined in Section 22, within the department shall waive the renewal fees, continuing education requirements, and other renewal requirements as determined by the board, if any are applicable, for any licensee or registrant called to active duty as a member of the United States Armed Forces or the California National Guard if all of the following requirements are met:

(1) The licensee or registrant possessed a current and valid license with the board at the time he or she was called to active duty.

(2) The renewal requirements are waived only for the period during which the licensee or registrant is on active duty service.

(3) Written documentation that substantiates the licensee or registrant's active duty service is provided to the board.

(b) (1) Except as specified in paragraph (2), the licensee or registrant shall not engage in any activities requiring a license during the period that the waivers provided by this section are in effect.

(2) If the licensee or registrant will provide services for which he or she is licensed while on active duty, the board shall convert the license status to military active and no private practice of any type shall be permitted.

(c) In order to engage in any activities for which he or she is licensed once discharged from active duty, the licensee or registrant shall meet all necessary renewal requirements as determined by the board within six months from the licensee's or registrant's date of discharge from active duty service.

(d) After a licensee or registrant receives notice of his or her discharge date, the licensee or registrant shall notify the board of his or her discharge from active duty within 60 days of receiving his or her notice of discharge.

(e) A board may adopt regulations to carry out the provisions of this section.

(f) This section shall not apply to any board that has a similar license renewal waiver process statutorily authorized for that board.

Assembly Bill No. 1904

CHAPTER 399

An act to add Section 115.5 to the Business and Professions Code, relating to professions and vocations.

[Approved by Governor September 20, 2012. Filed with Secretary of State September 20, 2012.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1904, Block. Professions and vocations: military spouses: expedited licensure.

Existing law provides for the licensure and regulation of various professions and vocations by boards within the Department of Consumer Affairs. Existing law provides for the issuance of reciprocal licenses in certain fields where the applicant, among other requirements, has a license to practice within that field in another jurisdiction, as specified. Existing law authorizes a licensee to reinstate an expired license without examination or penalty if, among other requirements, the license expired while the licensee was on active duty as a member of the California National Guard or the United States Armed Forces.

This bill would require a board within the department to expedite the licensure process for an applicant who holds a license in the same profession or vocation in another jurisdiction and is married to, or in a legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active duty military orders.

The people of the State of California do enact as follows:

SECTION 1. Section 115.5 is added to the Business and Professions Code, to read:

115.5. (a) A board within the department shall expedite the licensure process for an applicant who meets both of the following requirements:

(1) Supplies evidence satisfactory to the board that the applicant is married to, or in a domestic partnership or other legal union with, an active duty member of the Armed Forces of the United States who is assigned to a duty station in this state under official active duty military orders.

(2) Holds a current license in another state, district, or territory of the United States in the profession or vocation for which he or she seeks a license from the board.

(b) A board may adopt regulations necessary to administer this section.
