SENATE BILL

No. 924

Introduced by Senators Price, Walters, and Steinberg
(Coauthors: Assembly Members Chesbro, Fong, Knight, Morrell, and Wieckowski)

February 18, 2011

An act to amend Sections 2406 and 2690 of, and to add Sections 2406.5, 2620.1, and 2694.5 to, the Business and Professions Code, and to amend Section 13401.5 of the Corporations Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

SB 924, as amended, Price. Physical therapists: direct access to services: professional corporations.

(1) Existing law, the Physical Therapy Practice Act, creates the Physical Therapy Board of California and makes it responsible for the licensure and regulation of physical therapists. The act defines the term "physical therapy" for its purposes and makes it a crime to violate any of its provisions.

This bill would specify that patients may access physical therapy treatment directly, and would, in those circumstances, require a physical therapist to refer his or her patient to another specified healing arts practitioner if the physical therapist has reason to believe the patient

has a condition requiring treatment or services beyond that scope of practice, and, with the patient's written authorization, to notify the patient's *primary* physician and surgeon, if any, that the physical therapist is treating the patient. The bill would prohibit a physical therapist from treating a patient beyond 30 business days or 12 visits, whichever occurs first, unless the physical therapist receives a specified authorization from a person with a physician and surgeon's certificate *or from a person with a podiatric medicine certificate and acting within his or her scope of practice*. The bill would require a physical therapist, prior to the initiation of treatment services, to provide a patient with a specified notice concerning the limitations on the direct treatment services.

(2) Existing law regulating professional corporations provides that certain healing arts practitioners may be shareholders, officers, directors, or professional employees of a medical corporation or a podiatric medical corporation, subject to certain limitations.

This bill would add licensed physical therapists and licensed occupational therapists to the list of healing arts practitioners who may be shareholders, officers, directors, or professional employees of those corporations. The bill would also provide that specified healing arts licensees may be shareholders, officers, directors, or professional employees of a physical therapy corporation. The bill would require, except as specified, that a medical corporation, podiatry corporation, and physical therapy corporation provide patients with a specified disclosure notifying them that they may seek physical therapy treatment services from any physical therapy provider. The bill would also make conforming changes to related provisions.

Because the bill would specify additional requirements under the Physical Therapy Practice Act, the violation of which would be a crime, it would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares that an
2 individual's access to early intervention to physical therapy
3 treatment may decrease the duration of a disability, reduce pain,
4 and lead to a quicker recovery.

5 SEC. 2. Section 2406 of the Business and Professions Code is
6 amended to read:

7 2406. A medical corporation or podiatry corporation is a
8 corporation that is authorized to render professional services, as
9 defined in Sections 13401 and 13401.5 of the Corporations Code,
10 so long as that corporation and its shareholders, officers, directors,
11 and employees rendering professional services who are physicians
12 and surgeons, psychologists, registered nurses, optometrists,
13 podiatrists, chiropractors, acupuncturists, naturopathic doctors,
14 physical therapists, occupational therapists, or, in the case of a
15 medical corporation only, physician assistants, marriage and family
16 therapists, or clinical social workers, are in compliance with the
17 Moscone-Knox Professional Corporation Act, the provisions of
18 this article, and all other statutes and regulations now or hereafter
19 enacted or adopted pertaining to the corporation and the conduct
20 of its affairs.

21 With respect to a medical corporation or podiatry corporation,
22 the governmental agency referred to in the Moscone-Knox
23 Professional Corporation Act is the board.

24 SEC. 3. Section 2406.5 is added to the Business and Professions
25 Code, to read:

26 2406.5. (a) A medical corporation or podiatry corporation that
27 is authorized to render professional services, as defined in Sections
28 13401 and 13401.5 of the Corporations Code, shall disclose to its
29 patients, orally and in writing, when initiating any physical therapy
30 treatment services, that the patient may seek physical therapy
31 treatment services from a physical therapy provider of his or her
32 choice who may not necessarily be employed by the medical or
33 podiatry corporation.

34 (b) This disclosure requirement shall not apply to any medical
35 corporation that contracts with a health care service plan with a
36 license issued pursuant to the Knox-Keene Health Care Service
37 Plan Act of 1975 (Chapter 2.2 (commencing with Section 1340)
38 of Division 2 of the Health and Safety Code) if the licensed health

1 care service plan is also exempt from federal taxation pursuant to
2 Section 501(c)(3) of the Internal Revenue Code.

3 SEC. 4. Section 2620.1 is added to the Business and Professions
4 Code, to read:

5 2620.1. (a) In addition to receiving wellness and evaluation
6 services from a physical therapist, a person may initiate physical
7 therapy treatment directly from a licensed physical therapist
8 provided that the treatment is within the scope of practice of
9 physical therapists, as defined in Section 2620, and that all the
10 following conditions are met:

11 (1) If, at any time, the physical therapist has reason to believe
12 that the patient has signs or symptoms of a condition that requires
13 treatment beyond the scope of practice of a physical therapist, the
14 physical therapist shall refer the patient to a person holding a
15 physician and surgeon's certificate issued by the Medical Board
16 of California or by the Osteopathic Medical Board of California
17 or to a person licensed to practice dentistry, podiatric medicine,
18 or chiropractic.

19 (2) The physical therapist shall comply with Article 6
20 (commencing with Section 650) of Chapter 1 of Division 2.

21 (3) With the patient's written authorization, the physical
22 therapist shall notify the patient's *primary* physician and surgeon,
23 if any, that the physical therapist is treating the patient.

24 (4) With respect to a patient initiating physical therapy treatment
25 services directly from a physical therapist, the physical therapist
26 shall not continue treating that patient beyond 30 business days or
27 12 visits, whichever occurs first, without receiving, from a person
28 holding a physician and surgeon's certificate from the Medical
29 Board of California or the Osteopathic Medical Board of California,
30 *or from a person holding a certificate to practice podiatric*
31 *medicine from the California Board of Podiatric Medicine and*
32 *acting within his or her scope of practice*, a dated signature on the
33 physical therapist's plan of care indicating approval of the physical
34 therapist's plan of care. Approval of the physical therapist's plan
35 of care shall include an appropriate patient examination by the
36 person holding a physician and surgeon's certificate from the
37 Medical Board of California or the Osteopathic Medical Board of
38 California, *or by the person holding a certificate to practice*
39 *podiatric medicine from the California Board of Podiatric*
40 *Medicine and acting within his or her scope of practice*. For

1 purposes of this paragraph, "business day" means any calendar
2 day except Saturday, Sunday, or the following business holidays:
3 New Year's Day, Washington's Birthday, Memorial Day,
4 Independence Day, Labor Day, Columbus Day, Veterans Day,
5 Thanksgiving Day, and Christmas Day.

6 (b) The conditions in paragraphs (1), (2), (3), and (4) of
7 subdivision (a) do not apply to a physical therapist when providing
8 evaluation or wellness physical therapy services to a patient as
9 described in subdivision (a) of Section 2620 or treatment provided
10 upon referral or diagnosis by a physician and surgeon, podiatrist,
11 dentist, chiropractor, or other appropriate health care provider
12 acting within his or her scope of practice. Nothing in this
13 subdivision shall be construed to alter the disclosure requirements
14 of Section 2406.5.

15 (c) Nothing in this section shall be construed to expand or
16 modify the scope of practice for physical therapists set forth in
17 Section 2620, including the prohibition on a physical therapist

19 (d) Nothing in this section shall be construed to require a health
20 care service plan, insurer, workers' compensation insurance plan,
21 or any other person or entity, including, but not limited to, a state
22 program or state employer, to provide coverage for direct access
23 to treatment by a physical therapist.

24 (e) When a person initiates physical therapy treatment services
25 directly pursuant to this section, the physical therapist shall not
26 perform physical therapy treatment services without first providing
27 the following written notice, orally and in writing, on one page,
28 in at least 14-point type, and obtaining a patient signature on the
29 notice:

30

36 California.

37 Under California law, you may continue to receive direct
38 physical therapy treatment services for a period of 30 business
39 days or 12 visits, whichever occurs first, after which time a physical
40 therapist may continue providing you with physical therapy

1 treatment services only after receiving, from a person holding a
 2 physician and surgeon's certificate issued by the Medical Board
 3 of California or by the Osteopathic Medical Board of California,
