The Board shall follow the provisions of §3 of the Initiative Act requiring a quorum of four (4) Members to carry any motion or resolution, to adopt any rule or disciplinary action, or to authorize the issuance of any license provided for within the Act.

Board Member Attendance at Board Meetings

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

(Board Policy)

Being a Member of the Board is a serious commitment of time and effort to the governor, and the people of the State of California. Board Members shall attend a minimum of 75% of all scheduled committee meetings and scheduled Board meetings. In extraordinary circumstances, the Chair may excuse a Board Member from this obligation. If a Member is unable to attend a Board Meeting, he or she must contact the Board Chair or the Executive Officer, and provide a verbal notice followed by a written explanation of their absence as soon as possible thereafter.

Public Attendance at Board Meetings

(Government Code Section 11120 et seq.)

Meetings are subject to all provisions of the Bagley-Keene Open Meeting Act. This Act governs meetings of the state regulatory Boards and meetings of committees of those Boards where the committee consists of more than two Members. It specifies meeting notice, agenda requirements, and prohibits discussing or taking action on matters not included on the agenda. If the agenda contains matters which are appropriate for closed session, the agenda shall cite the particular statutory section and subdivision authorizing the closed session.

Agenda Items

(Board Policy)

Board Members may submit agenda items for a future Board meeting during the "Future Agenda Items" section of a Board meeting or directly to Executive Officer 21 days prior to a Board meeting

Agenda item requests shall be placed on the Board or Committee meeting agenda within two meetings from receipt of the original request.

The Board Secretary will work with the Executive Officer to finalize the agenda.

Notice of Meetings

(Government Code Section 11120 et seq.)

Meeting notices, including agendas, for Board meetings will be sent to persons on the Board's mailing list at least 10 calendar days in advance, as specified in the Bagley-Keene Open Meeting Act. At the request of the Chair or Vice Chair, the Secretary shall record topics to identify the item and an anticipated completion timeframe.

E-Mail Ballots (Government Code Section 11526 and Board Policy)

The Board must approve any proposed decision or stipulation before the formal discipline becomes final and the penalty can take effect.

Proposed stipulations and decisions are e-mailed to each Board Member for his or her vote. For stipulations, a background memorandum from the assigned deputy attorney general accompanies the e-mail ballot. A two-week deadline generally is given for the e-mail ballots for stipulations and proposed decisions to be completed and returned to the Board's office.

Holding Disciplinary Cases for Board Meetings (Board Policy)

When voting on e-mail ballots for proposed disciplinary decisions or stipulations, a Board Member may wish to discuss a particular aspect of the decision or stipulation before voting. If this is the case, the ballot must be marked "hold for discussion," and the reason for the hold must be provided on the mail e-ballot. This allows staff the opportunity to prepare information being requested.

If one vote is cast to hold a case for discussion, the case is set aside and not processed (even if four votes have been cast on a decision). Instead the case is scheduled for a discussion during a closed session at the next Board meeting.

If the matter is held for discussion, staff counsel will preside over the closed session to assure compliance with the Administrative Procedure Act and Open Meeting Act.

If the Board Member is comfortable voting on the matter, but wishes to discuss the policy behind the decision or case, the ballot should be marked "Policy Issue for Discussion. I have voted above. Issue: _____." The Executive Officer will respond directly to the Member. If still unresolved or if the matter is to be referred to the Board, the policy issue will be placed on the agenda for discussion at the next Enforcement Committee Meeting.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Any time a Member votes to "hold for discussion" the Chair, EO and Legal Counsel will discuss the Member's concern(s) for educational purposes and to evaluate if any administrative policy modifications should be proposed.

Record of Meetings (Board Policy)

All original video and audio recordings are to be maintained and archived indefinitely and never destroyed. The typed minutes are only a summary, not a transcript, of each Board meeting. They shall be prepared by Board staff and submitted for review by Board Members before the next Board meeting.

Board minutes must be approved or disapproved at the next scheduled meeting of the Board. When approved, the minutes shall serve as the official record of the meeting. The recordings of each board meeting shall be maintained and not destroyed.

The board may place audio and video recorded public board meetings on its web site at www.chiro.ca.gov.

Meeting Rules (Board Policy)

The Board will use Robert's Rules of Order, to the extent that it does not conflict with state law (e.g., Bagley-Keene Open Meeting Act or other state laws or regulations), as a guide when conducting the meetings. Questions of order are clarified by the Board's legal counsel.

Public Comment (Board Policy)

Public comment is always encouraged and allowed, however, if time constraints mandate, the comments may be limited to three minutes per person. Due to the need for the Board to maintain fairness and neutrality when performing its adjudicative function, the Board shall not receive any information from a member of the public regarding matters that are currently under or subject to investigation, or involve a pending or criminal administrative action.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

1. If, during a Board meeting, a person attempts to provide the Board with any information regarding matters that are currently under or subject to investigation or involve a pending administrative or criminal action, the person shall be advised that the Board cannot properly consider or hear such substantive information and the person must be instructed to refrain from making such comments.
2. If, during a Board meeting, a person wishes to address the Board concerning alleged errors of procedure or protocol or staff misconduct involving matters that are currently under or subject to investigation or involve a pending administrative or criminal action, the Board will address the matter as follows:
 - a. Where the allegation involves errors of procedure or protocol, the Board may designate either its Executive Officer or a Board employee to review whether the proper procedure or protocol was followed and to report back to the Board.
 - b. Where the allegation involves significant staff misconduct, the Board may designate one of its Members to review the allegation and to report back to the Board.
3. The Board may deny a person the right to address the Board and have the person removed if such person becomes disruptive at the Board meeting. The Board accepts the conditions established in the Bagley-Keene Open Meeting Act and appreciates that at times the public may disapprove, reprimand, or otherwise present an emotional presentation to the Board, and it is the Board's duty and obligation to allow that public comment, as provided by law.

Comments from Chiropractic Colleges and Associations (Board Policy)

Each Chiropractic college and association will be provided with an opportunity, to apprise the BCE of issues they feel are significant, as these comments are not agendized for discussion, no Board discussion shall occur.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

CHAPTER 3. Travel & Salary Policies & Procedures

Travel incurs additional expenses and potential liabilities and must be submitted for preapproval and preapproved before it occurs. Even if you pay for your travel, if you are representing the BCE, the State incurs liability risk. Please complete the appropriate paperwork, and follow established policies and procedures for timely reimbursement.

Travel Approval (Board Policy)

Board Members shall receive Executive Officer and Chair approval for all travel. Expenses and per diem reimbursement are provided. Regularly scheduled Board meetings, committee meetings, and conference meetings to which a Board Member is assigned do not require prior approval.

Travel Arrangements (Board Policy)

Board Members should attempt to make their own travel arrangements and are encouraged to coordinate with the Board Liaison on lodging accommodations. You need to obtain an original receipt to submit for reimbursement. Always seek hotels that charge the state rate. Preauthorization is required if the state rate is to be exceeded.

Out-of-State Travel (SAM Section 700 et seq.)

Out-of-state travel for all persons representing the state of California is controlled and must be approved by the Governor's Office. Permission for out-of-state travel must be obtained through the Executive Officer. Individual Board Members can not authorize out-of-state travel. Board Members will be reimbursed for actual lodging expenses, supported by vouchers, and will be reimbursed for meal and supplemental expenses. Keep all original receipts and submit with your travel expense claim.

Travel Claims (SAM Section 700 et seq.)

Rules governing reimbursement of travel expenses for Board Members are the same as for management-level state staff. All expenses shall be claimed on the appropriate travel expense claim forms. The Board Liaison maintains these forms and completes them as needed.

The Executive Officer's travel and per diem reimbursement claims shall be submitted to the Board Chair for approval.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

It is advisable for Board Members to submit their travel expense forms immediately after returning from a trip and not later than thirty days following the trip.

Salary Per Diem (§1 Initiative Act and B&P Code Section 103)

Compensation in the form of salary per diem and reimbursement of travel and other related expenses for Board Members is regulated by the B&P Code Section 103. Board Members are paid out of the funds of the Board, as provided for within the Chiropractic Initiative Act.

Salary Per Diem (Board Policy)

Accordingly, the following general guidelines shall be adhered to in the payment of salary per diem or reimbursement for travel:

1. A salary per diem or reimbursement for travel-related expenses shall be paid to Board Members for attendance at official Board or committee meetings.

Attendance at gatherings, events, hearings, conferences or meetings other than official Board or committee meetings shall be approved by the Board Chair & Executive Officer prior to the Board Member's travel and attendance.

The term "day actually spent in the discharge of official duties" shall mean such time as is expended from the commencement of a Board or committee meeting until that meeting is adjourned.

2. For Board-specified work, Board Members will be compensated for actual time spent performing work authorized by the Board Chair. This may also include, but is not limited to, authorized attendance at other gatherings, events, meetings, hearings, or conferences, such as the FCLB, NBCE, CE, Ambassador at Large, Lectures, etc.. Work also includes preparation time for Board or committee meetings and reading and deliberating mail ballots for disciplinary actions.
3. Reimbursable work does not include miscellaneous reading and information gathering unrelated Board business and not related to any meeting, preparation time for a presentation and participation at meetings not related to official participation of the Members duties with the Board.
4. Board Members may participate on their own (i.e., as a citizen or professional) at an event or meeting but not as an official Board representative unless approved in writing by the Chair. Requests must

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

be submitted in writing to the Chair for approval and a copy provided to the Executive Officer. However, Board Members should recognize that even when representing themselves as "individuals," their positions might be misconstrued as that of the Board and a BCE Member must use their best effort to continue to clarify this separation.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

CHAPTER 4. Board Officers & Committees

Officers of the Board (§3 Initiative Act)

The Board shall elect at the first meeting of each new year a Chair, Vice Chair and Secretary from the Members of the Board as specified in the Initiative Act.

Officer Vacancies (Board Policy)

The chain of administrative protocol starts with the Chair. If unavailable or recused, the Vice-Chair shall take over the duties of the Chair until the Chair returns. If the Vice-Chair is unavailable, the Secretary shall take over the duties of the Chair until the Vice Chair or Chair returns.

If the Chair becomes unable to fulfill their duties, the Vice-Chair will become the Chair until the next scheduled election. The new Chair may appoint their choice of Vice-Chair. The Secretary will remain the same. If any other officer (Vice-Chair or Secretary) becomes unavailable, the Chair shall appoint a replacement until the next general elections.

Communication Between Officers (Board Policy)

The Chair, Vice-Chair and Secretary must have timely and effective communication for the efficient operation of the BCE. Failure to respond to email correspondences or failing to address specific topics is inconsistent with professionalism and if a repetitive failure to communicate persists, this will be discussed in a meeting with that officer the Chair and EO to resolve the concern. If all parties agree that communication can not be resolved, the Chair may agendize the ongoing concern and, if necessary, call for a special election at the next full Board Meeting.

Committee Appointments (Board Policy)

The Chair shall establish committees, whether standing or special, as he or she deems necessary.

The composition of the committees and the appointment of the Members shall be determined by the Board Chair. The Chair may consult with the Vice Chair or Secretary and the Executive Officer. All conversations must be consistent with Bagley Keene Open Meeting Act Restrictions which mandate that no more than two Members can actively discuss Board business.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Standing Committees (Board Policy)

The Board has three standing committees:

1. Licensing, Continuing Education, and Public Relations Committee

The Committee proposes policies and standards regarding chiropractic colleges, doctors of chiropractic, satellite offices, corporation registration, and continuing education providers and courses. The Committee also develops strategies to communicate with the public through various forms of media.

2. Enforcement and Scope of Practice Committee

The Committee proposes regulations, policies, and standards to ensure compliance with chiropractic law and regulations. The Committee continuously seeks ways to improve the Board's enforcement activities.

3. Government Affairs and Strategic Planning Committee

The Committee proposes and reviews policies, procedures, to address audit and sunset review deficiencies.

The Committee works directly with the Executive Officer and staff to monitor budget expenditures, trends, and the Contingent Fund levels.

The Committee shall monitor individual line item expenditure and look for anomalies with a three year pattern for purposes of preparing a budget change proposal to correct either an under or over expenditure.

The committee will review and recommend positions on legislative bills that affect the Board. The guidelines for identifying, tracking, analyzing, taking positions on proposed legislation are set forth in the BCE "Legislative Bill Tracking" manual.

The Committee oversees all administrative issues regarding BCE operations.

This Committee develops draft strategic plans and monitors the Board's progress in achieving goal and objectives. The Board must develop a strategic plan once every three years. The Committee must report progress on the strategic plan annually beginning in 2013.

Committee Meetings (Board Policy)

Each of these committees is comprised of at least two Board Members. Staff provides technical and administrative input and support. The committees are an important venue for ensuring that staff and Board Members share

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

information and perspectives in crafting and implementing the Board's objectives and goals.

The Board's committees allow Board Members, the public, stakeholders and staff to discuss and conduct problem solving on issues related to the Board's objective and goals.

The committees are charged with coordinating Board efforts to reach the Board's objective and goals and achieving positive results on its performance measures.

The Board Chair designates one member of each committee as the committee's chairperson.

The committee chair will work with the Executive Officer and the Board Chair to set the committee's goals and meeting agendas. The Committee Chair coordinates the committee's work, ensures progress toward the Board's priorities, and presents reports at each meeting.

During any public committee meeting, comments from the public are encouraged, and the meetings themselves are frequently public forums on specific issues before a committee. Committees shall comply with the Bagley-Keene Open Meeting Act.

Attendance at Committee Meetings

(Board Policy and Government Code Section 11122.5 et seq.)

If a Board Member wishes to attend a meeting of a committee of which he or she is not a member, the Board Member must notify the committee chair, Executive Officer, and Board Chair.

Board Members who are not members of the committee which is meeting cannot sit at the dais, make any comment, or ask or answer any questions. Only committee members may vote during the committee meeting.

The Board's legal counsel works with the Executive Officer to assure that all meetings meet the requirements for a public meeting and are properly noticed.

Whenever possible, the Board's legal counsel shall attend committee meetings.

CHAPTER 6. Board Administration & Staff

Executive Officer (§3 Initiative Act)

The Board employs an Executive Officer and establishes his/her salary in accordance with the State law.

The Executive Officer is responsible for the financial operations and integrity of the Board, and is the official custodian of records. The Executive Officer is an at will employee, who serves at the pleasure of the Board, and may be terminated, with or without cause, in accordance with the provisions of the Bagley-Keene Open Meeting Act.

Executive Officer Evaluation (Board Policy)

At the first Board meeting of each fiscal year or at any time thereafter as determined by the Board, the Board evaluation of the Executive Officer is presented by the Board Chair, or his/her Board Member designee, during a closed session. Board Members provide information to the Chair on the Executive Officer's performance in advance of this meeting.

Board Administration (Board Policy)

Strategies for the day-to-day management of programs and staff shall be the responsibility of the Executive Officer as an instrument of the Board. The Executive Officer supervises and administers the staff. Board Members shall not directly discipline, reprimand, or otherwise supervise staff.

Board Staff (§4 Initiative Act)

Employees of the Board, with the exception of the Executive Officer, are civil service employees. Their employment, pay, benefits, discipline, termination, and conditions of employment are governed by myriad civil service laws and regulations and often by collective bargaining labor agreements.

Because of this complexity, the Board delegates this authority and responsibility for management of the civil service staff to the Executive Officer as an instrument of the Board.

Board Members may express any staff concerns to the Executive Officer but shall refrain from involvement in any civil service matters. Board Members shall not become involved in the personnel issues of any state employee.

The Governor shall appoint the Members of the Board. Each appointment shall be for the term of four years, except that an appointment to fill a vacancy shall be for the unexpired term only. Each Member shall serve until his successor has been appointed and qualified or until one year has elapsed since the expiration of his term whichever first occurs.

No person shall serve more than two consecutive terms on the Board nor be eligible for appointment thereafter until the expiration of four years from the expiration of such second consecutive term, effective January 2, 1974. The Governor may remove a Member from the Board after receiving sufficient proof of the inability or misconduct of said Member.

Conflict of Interest (Government Code Section 87100)

Board Members are responsible for complying with the California Political Reform Act (Government Code Sections 81000-91014).

Board Members must file a Statement of Economic Interest (Form 700) upon appointment to office, upon leaving office, and on an annual basis in between.

No Board Member may make, participate in making, or in any way attempt to use his or her official position to influence a governmental decision in which he or she knows or has reason to know he or she has a financial interest.

Any Board Member who has a financial interest shall disqualify him or herself from making or attempting to use his or her official position to influence the decision.

Any Board Member who feels he or she is entering into a situation where there is a potential for a conflict of interest should immediately consult the Executive Officer or the Board's legal counsel.

Contact with Licensees and Applicants (Board Policy)

Board Members shall not intervene on behalf of a licensee or applicant for licensure for any reason. They should forward all correspondence, contacts or inquiries to the Executive Officer.

Contact with Respondents (Board Policy)

Board Members should not directly participate in complaint handling and resolution or investigations. To do so would subject the Board Member to disqualification in any future disciplinary action against the licensee.

Board Members should not discuss pending disciplinary matters with any parties to such matters, including the respondent, his/her attorney, BCE enforcement staff, and DAGs. If a Board Member is contacted by a party to a disciplinary matter, the Board Member should refer the individual to the

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Executive Officer. When in doubt, the Board Member should seek advice from the Executive Officer or the Board's Legal Counsel.

Service of Legal Documents (Board Policy)

If a Board Member is personally served as a party in any legal proceeding related to his or her capacity as a Board Member, he or she must contact the Executive Officer immediately.

Serving as an Expert Witness (Executive Order 66.2)

Pursuant to Executive Order 66-2, no employment, activity, or enterprise shall be engaged in by any gubernatorial appointee which might result in, or create the appearance of resulting in any of the following:

1. Using the prestige or influence of a State office for the appointee's private gain or advantage.
2. Using state time, facilities, equipment, or supplies for the appointee's private gain or advantage, or the private gain or advantage of another.
3. Using confidential information acquired by virtue of State involvement for the appointees private gain or advantage, or the private gain or advantage of another.
4. Receiving or accepting money or any other consideration from anyone other than the State for the performance of an act which the appointee would be required or expected to render in the regular course of hours of his or her State employment or as a part of the appointee's duties as a State officer.

Request for Grants (Board Policy)

All requests for funding allocations to Board specific projects shall be approved by the Board during a regularly scheduled meeting.

Any requests for grants outside of Board business or projects must be made by the Executive Officer at the Chair's direction. If a Board Member makes an individual request, a copy of the request shall be forwarded to the Executive Officer as soon as possible.

The mechanism for receipt, management, and dispersal of funds shall be pre-arranged and approved by the Board.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Gifts from Licensees and Applicants (Board Policy)

Gifts of any kind create potential obligations or conflicts of interest and should therefore be declined or reported pursuant to the California Political Reform Act.

Ex Parte Communications (Government Code Section 11430.10 et seq.)

The Government Code contains provisions prohibiting ex parte communications. An "ex parte" communication is a communication to the decision-maker made by one party to an enforcement action without participation by the other party. While there are specified exceptions to the general prohibition, the key provision is found in subdivision (a) of section 11430.10, which states:

"While the proceeding is pending, there shall be no communication, direct or indirect, regarding any issue in the proceeding to the presiding officer from an employee or representative of an agency that is a party or from an interested person outside the agency, without notice and an opportunity for all parties to participate in the communication."

Board Members are prohibited from an ex parte communication with Board enforcement staff while a proceeding is pending.

Occasionally, an applicant who is being formally denied licensure, or a licensee against whom disciplinary action is being taken, will attempt to directly contact Board Members. If the communication is written, the person should read only far enough to determine the nature of the communication. Once he or she realizes it is from a person against whom an action is pending, they should reseal the documents and send them to the Executive Officer.

If a Board Member receives a telephone call from an applicant under any circumstances or licensee against whom an action is pending, he or she should immediately tell the person they cannot speak to them about the matter and inform the Executive Officer and the Board's legal counsel.

If the person insists on discussing the case, he or she should be told that the Board Member will be required to recuse him or herself from any participation in the matter. Therefore, continued discussion is of no benefit to the applicant or licensee.

If a Board Member believes that he or she has received an unlawful ex parte communication, he or she should contact the Executive Officer and the Board's legal counsel.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

The Honoraria Prohibition (Government Code Section 89503) (FPPC Regulations, Title 2, Division 6)

As a general rule, Members of the Board should decline honoraria for speaking at, or otherwise participating in, professional association conferences and meetings. A Member of a state Board is precluded from accepting an honorarium from any source, if the Member would be required to report the receipt of income or gifts from that source on his or her statement of economic interest.

Board Members are required to report income from, among other entities, professional associations and continuing education providers. Therefore, a Board Member should decline all offers for honoraria for speaking or appearing before such entities.

There are limited exceptions to the honoraria prohibition. The acceptance of an honorarium is not prohibited under the following circumstances: (1) when a honorarium is returned to the donor (unused) within 30 days; (2) when an honorarium is delivered to the State Controller within thirty days for donation to the General Fund (for which a tax deduction is not claimed); and (3) when an honorarium is not delivered to the Board Member, but is donated directly to a bona fide charitable, educational, civic, religious, or similar tax exempt, non-profit organization.

In light of this prohibition, Members should report all offers of honoraria to the Board Chair so that he or she, in consultation with the Executive Officer and staff counsel, may determine whether the potential for conflict of interest exists.

Board Member Orientation (Business & Professions Code Section 453 and Board Policy)

B& P Section 453 requires every newly appointed Board Member, within one year of assuming office, to complete a training and orientation program offered by DCA regarding, among other things, his or her functions, responsibilities, and obligations as a Member of a Board.

It is the BCE's policy that new Board Members shall, to the extent possible complete the orientation training within six months of assuming office. Additional training shall be provided at the request of the Board or individual Board Members.

BOARD MEMBER ADMINISTRATIVE PROCEDURE MANUAL

Ethics Training

(Government Code Section 11146)

California law requires all appointees to take an ethics orientation within the first six months of their appointment and to repeat this ethics orientation every two years throughout their term.

Sexual Harassment Prevention Training

(Government Code Section 12950.1)

Board Members are required to undergo sexual harassment prevention training and education once every two years. Staff will coordinate the training.

Injury to a Board Member

(Labor Code Section 4600)

If you are or believe you may have been injured, notify the Executive Officer. Injuries are required to be reported and this assists the Executive Officer in remaining compliant with the Labor Code Rules and Regulations. The reported injury will be reviewed by State Compensation Insurance Fund. They have the option to either accept or deny that claim. If the claim is denied, and you believe you have a legitimate claim, you should consult with an attorney. If the claim of injury is accepted by the insurance carrier, then treatment is provided in accordance with the California Labor Code (L.C.). Specifically: L.C. 4600(a) Medical, surgical, chiropractic, acupuncture, and hospital treatment, including nursing, medicines, medical and surgical supplies, crutches, and apparatuses, including orthotic and prosthetic devices and services, that is reasonably required to cure or relieve the injured worker from the effects of his or her injury shall be provided by the employer.

If You Have Additional Questions: Ask the Executive Officer or Staff Counsel. You can also call the Department of Industrial Relations, Division of Workers Compensation at (800) 736-7401 or go to the DWC web site at <http://www.dir.ca.gov/dwc>.

Executive Department
State of California

FILED

In the Office of the Secretary of State
of the State of California

EXECUTIVE ORDER 66-2

MAY 20 1966

Governor's Code of Ethical Standards.

At 1:15 o'clock P. M.
FRANK M. JORDAN, Secretary of State

By *[Signature]*
Assistant Secretary of State

By virtue of the authority vested in me as Governor of the State of California, I hereby proclaim the following Code of Ethical Standards to be the official policy of the Executive Department of the State of California applicable to each and every officer and employee thereof.

ARTICLE I

DECLARATION OF POLICY

State officers and employees are responsible to all of the people of the State and not to any favored segment or group. The business and affairs of the State must be conducted in such an impartial manner that all persons understand that no State officer or employee can be influenced by other than proper methods. State officers and employees must avoid all situations where prejudice, bias or opportunity for personal gain could influence their decisions. They must equally avoid circumstances suggesting that favoritism or personal gain is the motivating force in the conduct of State government.

It is the intent of this code to set forth the minimum ethical standards to be followed by all officers and employees of the Executive Department. These standards are intended not only to require officers and employees to avoid activities that might result in using a public office or employment for private gain or the giving of favored treatment to any organization or person, but also to maintain public confidence in the Executive Department by prohibiting activities that might permit opportunity for personal gain or personal preference to influence decisions. The objectives are to maintain an impartial administration of the State government and to maintain public confidence in government.

ARTICLE II

STANDARDS OF ETHICAL CONDUCT

No employment, activity, or enterprise shall be engaged in by any officer or employee of the Executive Department of the State which might result in, or create the appearance of resulting in, any of the following:

1. Using the prestige or influence of a State office or employment for the officer's or employee's private gain or advantage, or the private gain or advantage of another.
2. Using State time, facilities, equipment, or supplies for the officer's or employee's private gain or advantage, or the private gain or advantage of another.
3. Using confidential information acquired by virtue of State employment for the officer's or employee's private gain or advantage, or the private gain or advantage of another.
4. Receiving or accepting money or any other consideration from anyone other than the State for the performance of an act which the officer or employee would be required or expected to render in the regular course or hours of his State employment or as a part of his duties as a State officer or employee.
5. Performance of an act in other than his capacity as a State officer or employee knowing that such act may later be subject, directly or indirectly, to the control, inspection, review, audit or enforcement by such officer or employee or the agency by which he is employed.
6. Receiving or accepting, directly or indirectly, any gift, including money, any service, gratuity, favor, entertainment, hospitality, loan, or any other thing of value, from anyone who is doing or is seeking to do business of any kind with the State or whose activities are regulated or controlled in any way by the State, under circumstances from which it reasonably could be inferred that the gift was intended to influence him in his official duties or was intended as a reward for any official action on his part.

ARTICLE III

APPLICATION

The standards of ethical conduct set forth in Article II hereof shall be made applicable without exception to all officers and employees in the Executive Department of the State of California, whether they are members of the state civil service or are exempt from civil service.

All officers and employees who have been appointed by the Governor shall conform to these standards without further directive. All other officers or employees who serve under a State appointing power shall comply with the incompatibility statements issued by their respective appointing power as provided for in Article IV hereof.

Failure to conform to the standards of ethical conduct so prescribed may lead to removal from office, termination of employment, or other action as the situation may warrant.

ARTICLE IV

INCOMPATIBILITY STATEMENTS

Pursuant to Government Code Section 19251 enacted in 1949, each appointing power determines and states the activities which are considered to be inconsistent, incompatible, or in conflict with the duties of its officers and employees. These statements are subject to the review and approval of the State Personnel Board.

Each appointing power in the Executive Department of the State is directed to re-examine its existing statement and revise it, if necessary, or adopt a new statement which requires all its officers and employees to comply with the standards of ethical conduct prescribed in Article II hereof. Further, each appointing power is encouraged to add to such standards as may be necessary and make them more specific and definite with reference to its particular activities and functions.

The State Personnel Board, in reviewing and approving these incompatibility statements, is requested to consider the standards of ethical conduct required herein as a guide to its action.

Each appointing power shall advise each of its officers and employees of its incompatibility statement and that the standards of ethical conduct required shall be strictly complied with.

Each appointing power shall submit a written report to the Governor by March 15, 1966, describing in detail the action that it has taken to review, revise and promulgate an incompatibility statement containing the standards of ethical conduct set forth in this code and the extent to which current incompatibility statements now cover these matters.

The State Personnel Board shall submit a report to the Governor by May 15, 1966, summarizing the action that has been taken by all the appointing powers and by the State Personnel Board in this review, revision, and promulgation.

ARTICLE V

ADVISORY OPINIONS AND EXCEPTIONS

A. Appointing Powers

A number of the appointing powers have included in their incompatibility statements provisions requiring officers and employees to advise the appointing power when a situation arises as to which the officer or employee is in doubt as to whether contemplated conduct is prohibited. Advice is given in such situations as to whether the officer or employee may proceed. Further, some appointing powers have issued directives describing general situations in connection with their functions where the possible interest or personal gain of the officer or employee is considered to be of such a minor nature that it will not influence action and therefore is not prohibited. This type of advice and exception is desirable so as not to needlessly restrict State personnel if the permitted activities are such that the officer or employee will not be violating the policy underlying this code as set forth in Article I.

Although the making of numerous exceptions is not encouraged, each appointing power is requested to:

1. Describe in writing situations that commonly arise in the activities or functions of the appointing power in which the appointing power considers that the possible personal interest or gain of an officer or employee is of such a minor nature that it will not violate the policy underlying this code.

2. Designate one or more persons in the department or agency to whom specific questions can be directed and from whom guidance may be sought by its officers and employees when questions arise concerning whether a contemplated activity is prohibited by the standards of ethical conduct required and the policy underlying this code.

All officers and employees should be encouraged to discuss any activities where policy requires further definition with persons designated by the appointing power and to be guided by the advice then given. While such discussions and advice shall be considered as confidential, the appointing power or the Governor may determine that a matter involved has become of such importance that the public interest requires disclosure.

B. Other Officers

The heads of many State departments and agencies and a number of officers of the State are appointed by and serve at the pleasure of the Governor. It is desirable that such officers have an independent body from whom they can seek guidance where questions arise as to whether an activity contemplated by such an officer violates this code and the policy underlying it. The Governor has high regard and confidence in the judgment and discretion of the State Personnel Board which has broad experience and background in governmental activities and believes that the public and State officers share this regard and confidence. Therefore such officers are directed to seek guidance from the State Personnel Board when in doubt as to whether an activity they contemplate is prohibited by this code and the policy underlying it. The Personnel Board shall utilize its good judgment in giving such guidance.

Any inquiry to the Personnel Board on these matters shall be treated by the Personnel Board and the Governor as confidential. Information as to individuals involved will be made available only to the Governor and will not be made public except at the specific direction of the Governor when he deems that a matter has become of such importance that the public interest requires disclosure.

ARTICLE VI

Not later than May 15, 1966, the officers now holding the positions listed above shall submit to the Governor a written report containing the following:

1. A list of the names of all corporations, companies, firms, or other business enterprises, partnerships, nonprofit organizations, and educational or other institutions which do business with or are regulated, controlled, or otherwise affected by the activities of any department, agency, board, or commission of the State of California, in which he has any interest in any of the following ways:

other than those to whom he may be indebted by reason of a mortgage on property which he occupies as a personal residence or to whom he may be indebted for current and ordinary household and living expenses.

3. A list of all his interests in real property or rights in lands, other than property which he occupies as a personal residence, which are, or may reasonably be, affected by acquisitions of real property or interest therein by agency, department, board or commission of the State of California.

Henceforth, prior to appointment to any of the positions listed above, the Governor will first require the submission of a report containing the above information.

Each report required by this article shall be kept up to date by submission of amended reports of any changes in or additions to the information required thereon as any change occurs, or, in any event, on March 1 of each succeeding year.

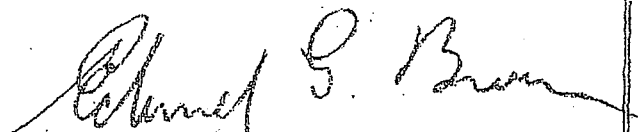

The reports submitted to the Governor shall be treated as confidential. Information thereon will not be made public except at the specific direction of the Governor when he deems that a matter has become of such importance that the public interest requires disclosure.

It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body's meeting is announced during the open and public state body's meeting, and provided that the advisory body's meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body's discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-

related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

(Amended by Stats. 2002, Ch. 300, Sec. 2. Effective January 1, 2003.)

(a) For a filer who holds a position with the agency on January 1, 2003, not later than December 31, 2003 and, thereafter, at least once during each consecutive period of two calendar years commencing on January 1, 2005.

(b) For a person who becomes a filer with the agency after January 1, 2003, within six months after he or she becomes a filer and at least once during each consecutive period of two calendar years commencing on the first odd-numbered year thereafter.

(Amended by Stats. 2002, Ch. 663, Sec. 2. Effective January 1, 2003.)

11430.10.

(a) While the proceeding is pending there shall be no communication, direct or indirect, regarding any issue in the proceeding, to the presiding officer from an employee or representative of an agency that is a party or from an interested person outside the agency, without notice and opportunity for all parties to participate in the communication.

(b) Nothing in this section precludes a communication, including a communication from an employee or representative of an agency that is a party, made on the record at the hearing.

(c) For the purpose of this section, a proceeding is pending from the issuance of the agency's pleading, or from an application for an agency decision, whichever is earlier.

(Added by Stats. 1995, Ch. 938, Sec. 21. Effective January 1, 1996. Operative July 1, 1997, by Sec. 98 of Ch. 938 and Section 11400.10.)

11500.

In this chapter unless the context or subject matter otherwise requires:

(a) "Agency" includes the state boards, commissions, and officers to which this chapter is made applicable by law, except that wherever the word "agency" alone is used the power to act may be delegated by the agency, and wherever the words "agency itself" are used the power to act shall not be delegated unless the statutes relating to the particular agency authorize the delegation of the agency's power to hear and decide.

(b) "Party" includes the agency, the respondent, and any person, other than an officer or an employee of the agency in his or her official capacity, who has been allowed to appear or participate in the proceeding.

(c) "Respondent" means any person against whom an accusation or District Statement of Reduction in Force is filed pursuant to Section 11503 or against whom a statement of issues is filed pursuant to Section 11504.

(d) "Administrative law judge" means an individual qualified under Section 11502.

(e) "Agency member" means any person who is a member of any agency to which this chapter is applicable and includes any person who himself or herself constitutes an agency.

(Amended by Stats. 2013, Ch. 90, Sec. 2. Effective January 1, 2014.)

12950.1.

(a) By January 1, 2006, an employer having 50 or more employees shall provide at least two hours of classroom or other effective interactive training and education regarding sexual harassment to all supervisory employees in California who are employed as of July 1, 2005, and to all new supervisory employees within six months of their assumption of a supervisory position. Any employer who has provided this training and education to a supervisory employee after January 1, 2003, is not required to provide training and education by the January 1, 2006, deadline. After January 1, 2006, each employer covered by this section shall provide sexual harassment training and education to each supervisory employee in California once every two years. The training and education required by this section shall include information and practical guidance regarding the federal and state statutory provisions concerning the prohibition against and the prevention and correction of sexual harassment and the remedies available to victims of sexual harassment in employment. The training and education shall also include practical examples aimed at instructing supervisors in the prevention of harassment, discrimination, and retaliation, and shall be presented by trainers or educators with knowledge and expertise in the prevention of harassment, discrimination, and retaliation.

(b) The state shall incorporate the training required by subdivision (a) into the 80 hours of training provided to all new supervisory employees pursuant to subdivision (b) of Section 19995.4, using existing resources.

(c) For purposes of this section only, "employer" means any person regularly employing 50 or more persons or regularly receiving the services of 50 or more persons providing services pursuant to a contract, or any person acting as an agent of an employer, directly or indirectly, the state, or any political or civil subdivision of the state, and cities.

(d) Notwithstanding subdivisions (j) and (k) of Section 12940, a claim that the training and education required by this section did not reach a particular individual or individuals shall not in and of itself result in the liability of any employer to any present or former employee or applicant in any action alleging sexual harassment. Conversely, an employer's compliance with this section does not insulate the employer from liability for sexual harassment of any current or former employee or applicant.

(e) If an employer violates this section, the department may seek an order requiring the employer to comply with these requirements.

(f) The training and education required by this section is intended to establish a minimum threshold and should not discourage or relieve any employer from providing for longer, more frequent, or more elaborate training and education regarding workplace harassment or other forms of unlawful discrimination in order to meet its obligations to take all reasonable steps necessary to prevent and correct harassment and discrimination.

(Amended by Stats. 2012, Ch. 46, Sec. 41. Effective June 27, 2012. Operative January 1, 2013, by Sec. 140 of Ch. 46.)

(2) Paragraph (1) shall not apply to any person who is a candidate as described in paragraph (1) for judicial office on or before December 31, 1996.

(c) No member of a state board or commission or designated employee of a state or local government agency shall accept gifts from any single source in any calendar year with a total value of more than two hundred fifty dollars (\$250) if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests.

(d) This section shall not apply to a person in his or her capacity as judge. This section shall not apply to a person in his or her capacity as a part-time member of the governing board of any public institution of higher education unless that position is an elective office.

(e) This section shall not prohibit or limit the following:

(Amended by Stats. 1996, Ch. 1056, Sec. 2. Effective January 1, 1997.)

SAM - Chapter 0700

0760 OUT-OF-STATE TRAVEL

(Revised 9/07)

Government Code Section 11032 outlines out-of-state travel policy.

State time authorized for out-of-state travel is limited to the time necessary to transact business plus actual travel time. The travel time cannot exceed rail time.

State cars must not be used to provide transportation when the trip is funded by sources other than State, federal, or personal funds.

Total expenditures shall not exceed the total amount budgeted for out-of-state travel as amended by Transfer of Budget Allotments.

There are two ways to obtain approval for out-of-state travel:

1. **Advance blanket approval** - Annual approval by the Agency Secretary (as applicable), the Department of Finance, and the Governor's Office of all routine travel identified in your travel plan. See SAM Section 0763.
2. **Individual trip approval** - Travel identified in your blanket approval request which has not yet been approved by the Governor's Office or travel that does not meet the criteria outlined in SAM Section 0762.

0780 TRAVEL EXPENSE CLAIM (TEC), STD. 262

(Revised 9/07)

Appendix A-1 contains preparation instructions for this form. Use TEC to claim travel and transportation expenses.

DPA Rules 599.638 and 599.638.1 require that TECs contain a brief statement of purpose for each trip. Enter this statement (one line if possible) on the line immediately below the last entry for each trip. If two or more trips are made for the same purpose and one TEC is used, one statement is sufficient for the trips.

**GUIDE TO THE
BAGLEY-KEENE OPEN MEETING ACT
(Includes Amendments through January 1, 2014)**

This guide is an update on the provisions of the public meetings law governing state agencies, officially called the Bagley-Keene Open Meeting Act. (Article 9 (commencing with Section 11120), Chapter 1, Part 1, Division 3, Title 2 of the Government Code). The Open Meeting Act closely parallels the Ralph M. Brown Act, which governs meetings of local government agencies. This guide includes all statutory changes through January 1, 2014. Please disregard all earlier memoranda and the previous Guide to the Bagley-Keene Open Meeting Act (distributed January 14, 2013) on this subject.

All statutory references are to the Government Code.

I. PUBLIC POLICY TO CONDUCT PEOPLE'S BUSINESS OPENLY

Section 11120 sets forth the purpose of the law:

"It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act."

Each board has essentially three duties under the Open Meeting Act. First, to give adequate notice of meetings to be held. Second, to provide an opportunity for public comment. Third, to conduct such meetings in open session, except where a closed session is specifically authorized. We use the terms "agency" and "board" to mean not only boards, but also commissions and any examining committees or boards within the jurisdiction of the Medical Board of California.

II. BOARD, COMMITTEE, SUBCOMMITTEE, TASK FORCE MEETINGS

A. Definition of a "Meeting"

"Meeting" is defined in the Act as including "any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the state body to which it pertains." (§11122.5(a)) The law now prohibits use by a majority of the members of a state body of direct communications or a series of communications of any kind, directly or through personal intermediaries, or technological devices (such as e-mails) to discuss, deliberate, or take action on any item of business that is within the subject matter of the state body. (§11122.5(b))

B. Exemptions from Definition of Meeting

The law recognizes that not all gatherings of a majority of members of a state body at a single location constitute a meeting. Current law provides that the provisions of the Act do not apply to the following situations, **provided that** "a majority of the members do not discuss among themselves, other than as part of a scheduled program, business of a specified nature that is within the subject matter jurisdiction of the state body." (§11122.5(c))

- Individual contacts or conversations between a member of a state body and any other person. (§11122.5(c)(1))
- Attendance by a majority of members at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the state body. (§11122.5(c)(2))
- Attendance by a majority of members at an open and publicized meeting organized to address a topic of state concern by a person or organization other than the state body. (§11122.5(c)(3))
- Attendance by a majority of members at an open and noticed meeting of another state body or of a legislative body of a local agency. (§11122.5(c)(4))
- Attendance by a majority of members at a purely social or ceremonial occasion. (§11122.5(c)(5))
- Attendance by a majority of members at an open and noticed meeting of a standing committee of that body, provided the members of the body who are not members of the committee attend only as observers. (§11122.5(c)(6))

The law does not, however, prevent an employee or official from engaging in separate communications outside of a noticed meeting with members of the legislature to answer questions or provide information about a matter within the agency's subject

matter jurisdiction – with the limitation that the person cannot communicate the comments or position of any other member.

C. Board and Committee Meetings

There are two basic types of meetings held by agencies in the Department of Consumer Affairs. The first type is a board meeting, where a quorum of the members of the board is present. The second type is a committee meeting consisting of less than a quorum of the members of the full board. Subcommittee and task force meetings are variations of committee meetings.

Board meetings have historically been required to be noticed and open to the public, except where a closed session is authorized. Committee and subcommittee meetings, where less than a quorum of the board is present, are also required to be noticed and open to the public. The only exception is for a committee that consists of fewer than three persons and does not exercise any authority of a state body delegated to it by that state body. (NOTE – it is the number of persons on the committee [not the number of board members] that is determinative.)

Where a committee of fewer than three persons is to meet, and the meeting is not noticed, other members of the board should not attend the meeting, as such attendance would clearly be perceived as an Open Meeting Act violation. Board staff is not precluded from attending such a meeting.

[Restriction on Attendance at Committee Meetings] The law allows attendance by a majority of members at an open and noticed meeting of a standing committee of the board, provided the members of the board who are not members of the committee attend only as observers. (§11122.5(c)(6)) The Office of the Attorney General has addressed in a formal opinion a provision in the Brown Act relating to the attendance of "observers" at a committee meeting. The Attorney General concluded that "[m]embers of the legislative body of a local public agency may not ask questions or make statements while attending a meeting of a standing committee of the legislative body 'as observers.'" The opinion further concluded that such members of the legislative body may not sit in special chairs on the dais with the committee. (81 Ops.Cal.Atty.Gen. 156)

Thus, under the provisions of section 11122.5(c)(6), and the opinion of the California Attorney General, if a majority of members of the full board are present at a committee meeting, members who are not members of the committee that is meeting may attend that meeting only as observers. The board members who are not committee members may not sit on the dais with the committee, and may not participate in the meeting by making statements or asking questions.

If a board schedules its committee meetings seriatim, and other board members are typically present to ultimately be available for their own committee meeting, your notice of the committee meeting should contain a statement to the effect that "Members

of the board who are not members of this committee may be attending the meeting only as observers.”

Subcommittees may be appointed to study and report back to a committee or the board on a particular issue or issues. If the subcommittee consists of three or more persons, the same provisions apply to its meetings as apply to meetings of committees.

Board chairpersons may occasionally appoint a task force to study and report on a particular issue. One or two board members typically serve as task force members, along with a number of other non-board members. When this is the case, the same Open Meeting Act rules that apply to committee meetings apply to task force meetings. Such a formally appointed task force falls under the definition of “state body in Section 11121(c).”

III. TYPES OF MEETINGS; PURPOSE; NOTICE; OTHER REQUIREMENTS

Boards and committees may hold several types of meetings, including a regularly scheduled meeting, a “special” meeting, or an “emergency” meeting under the provisions of section 11125.5. This section of the memorandum addresses who can hold certain types of meetings, the purposes for which the meetings can be held, notice requirements, and any other special requirements or prohibitions.

A. Regularly Scheduled Meetings

1. Who May Hold a Regularly Scheduled Meeting

A board, committee, subcommittee, or task force may hold a regularly scheduled meeting. These are the business meetings that are scheduled throughout the year to conduct the usual and customary business of the board. Such meetings may generally be called by the chairperson, or by a majority of the body. However, you must refer to your particular licensing act, which may contain different provisions as to who may call a meeting.

2. Purposes for Which the Meeting May be Held

These meetings are to conduct the usual and customary business of the board, or the business of a committee, subcommittee or task force as directed by the board. The subject matter of the meetings is essentially dictated by the jurisdiction of the board as found in the board’s licensing act. There are no statutory restrictions in the Open Meeting Act on the purposes for which a regularly scheduled meeting may be held.

3. Notice Requirements for a Regularly Scheduled Meeting

a. Board Meetings

An agency is required to give at least 10 calendar days written notice of each board meeting to be held. (§11125(a).) The notice must include the name, address, and telephone number of a person who can provide further information prior to the meeting and must contain the website address where the notice can be accessed. The notice must also be posted on the Internet at least 10 calendar days before the meeting.

In addition to the website posting, effective January 1, 2003, the notice is required to be made available in appropriate alternate formats upon request by any person with a disability.

The notice of each board meeting must include an agenda that is prepared for the meeting. The agenda must include all items of business to be transacted or discussed at the meeting. " ... A brief general description of an item generally need not exceed 20 words. ... No item shall be added to the agenda subsequent to the provision of this notice." (§11125(b)) This provision does not, however, preclude amending an agenda provided the amended notice is distributed and posted on the Internet at least 10 calendar days prior to the meeting. Effective January 1, 2003, the notice must include information that would enable a person with a disability to know how, to whom, and by when a request may be made for any disability-related modification or accommodation, including auxiliary aids or services. We suggest the following as standard language:

The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting _____ at (916) _____ or sending a written request to that person at the Board [Address], Sacramento, California, [zip code]. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.

The definition of "action taken" in Section 11122 is of some aid in determining what the Legislature intended by use of the words "items of business to be transacted."

"11122. As used in this article 'action taken' means a collective decision made by the members of a state body, a collective commitment or promise by the members of the state body to make a positive or negative decision or an actual vote by the members of a state body when sitting as a body or entity upon a motion, proposal, resolution, order or similar action."

General agenda items such as "New Business," "Old Business," "Executive Officer's Report," "Committee Reports," "President's Report," "Miscellaneous," etc., without specifying the particular matters thereunder, cannot be used to circumvent this requirement. The Office of the Attorney General has opined that:

"... the purpose of subdivision (b) [of Government Code Section 11125] is to provide advance information to interested members of the public concerning the state body's anticipated business in order that they may attend the meeting or take whatever other action they deem appropriate under the circumstances.

* * *

"We believe that Section 11125 was and is intended to nullify the need for . . . guesswork or further inquiry on the part of the interested public." (67 Ops.Cal.Atty.Gen. 85, 87)

Items not included on the agenda may not be discussed, even if no action is to be taken by the agency. However, we offer two suggestions so members of the public and board members may raise issues that are not on the agenda.

We strongly encourage boards to include an item on their agendas for "Public Comment on Matters Not on the Agenda." This gives persons who are attending a meeting an opportunity to raise any issues they may have, which may not be on the agenda, but which may be appropriate for future board discussion. Matters raised under this agenda item should be discussed only to the extent necessary to determine whether they should be made an agenda item at a future meeting. (§11125.7(a))

We also strongly encourage boards to include an item on their agenda for "Agenda Items for Future Meetings." This allows all board members an opportunity to request specific agenda items for a meeting. Again, these items should be discussed only to the extent necessary to determine whether they should be included as agenda items for a future meeting.

[CAVEAT: If the regularly scheduled meeting will have a closed session agenda item or items, or be held by teleconference, please refer to the discussion of additional requirements under those headings, below.]

The notice and the agenda must be provided to any person who requests it. A member of the public may request notice for a specific meeting, for all meetings at which a particular subject will be discussed or action taken thereon, or for all meetings of the agency. Mailing lists of persons who desire to be notified of more than one meeting must be maintained pursuant to Section 14911, which provides:

"14911. Whenever any state agency maintains a mailing list of public officials or other persons to whom publications or other printed matter is sent without charge, the state agency shall correct its mailing list and

verify its accuracy at least once each year. This shall be done by addressing an appropriate postcard or letter to each person on the mailing list. The name of any person who does not respond to such letter or postcard, or who indicates that he does not desire to receive such publications or printed matter, shall be removed from the mailing lists. The response of those desiring to be on the mailing list shall be retained by these agencies for one year."

Effective 1/1/98, a sentence was added to subdivision (c) of Section 11125.1 to state that "Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication." (Stats. 1997, Chapt. 949; SB 95) The Legal Office interprets this provision to supersede any provisions in particular practice acts which require newspaper publication of board or committee meetings. Boards and committees, of course, retain the discretion to publish notices in newspapers if they so chose.

b. Committee, Subcommittee or Task Force Meetings

Each agency is required to give notice of committee, subcommittee or task force ("committee") meetings to be held. However, this requirement does not apply if the committee consists of less than three persons. It is the number of persons on the committee that is determinative, not how many of the persons are board members. Thus, if a committee consisted of two board members and two other interested persons, its meetings would have to meet all the requirements of the Open Meeting Act.

Notice of committee meetings must be provided and posted on the Internet at least 10 calendar days in advance of the meeting. (§11125(a)) The notice "shall include a brief, general description of the business to be transacted or discussed, and no item shall be added subsequent to the provision of the notice." (§11125(c)) The notice must also include the Website address where the notice can be accessed on the Internet. Although the law does not so specify, we would suggest also including in the notice the name, address, and telephone number of a contact person who can provide further information prior to the meeting. As with board meetings, there is no requirement that the notice be published in any newspaper or other periodical. However, the notice must be provided to any person or persons who have requested to be notified of the particular committee's meetings. You may elect to send such notice to those persons on your regular mailing list.

Remember you must post your notice on the Internet at least 10 calendar days in advance of the meeting and must make the notice available in appropriate alternate formats upon request by any person with a disability.

Provision is made for certain non-emergency, but sometimes necessary, committee meetings. Where, during the course of a regularly scheduled and properly noticed board meeting, the board desires that a committee presently discuss an item of business on the agenda, the committee may do so provided (a) the specific time and place of the committee meeting is announced during the public meeting of the board,

and (b) the committee meeting is conducted within a reasonable time of, and nearby, the meeting of the board. (§11125(c))

4. Specific Requirements for Regularly-Scheduled Meetings

There are no specific requirements, other than those set forth above, for regularly scheduled board, committee, subcommittee or task force meetings.

5. Specific Prohibitions on Holding a Regularly-Scheduled Meeting

There are no statutory prohibitions in the Open Meeting Act on a board, committee, subcommittee or task force conducting a regularly scheduled meeting.

We again remind you that, with respect to committee meetings, members of the board who are not members of the committee that is meeting may only attend the committee meeting as observers. This means these members may not sit on the dais with the committee, make any statements, or ask any questions during the committee meeting. (81 Ops.Cal.Atty.Gen. 156)

B. "Special" Meetings

SB 95 of 1997 created a new category of meeting, that being a "special" meeting.

1. Who May Hold a Special Meeting

A board, committee, subcommittee or task force may hold a special meeting.

2. Purposes for Which a Special Meeting May be Held

The only purposes for which a special meeting may be held are set forth in section 11125.4, and are drawn from the purposes for which an emergency meeting could be held under the prior law. In essence, the Legislature recharacterized those purposes as constituting "special" circumstances rather than "emergency" circumstances. Section 11125.4 provides in part that:

"(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body.

A special meeting may only be called for one of the following purposes where compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

(1) To consider 'pending litigation' as that term is defined in subdivision (e) of Section 11126.

- (2) To consider proposed legislation.
- (3) To consider issuance of a legal opinion.
- (4) To consider disciplinary action involving a state officer or employee.
- (5) To consider the purchase, sale, exchange, or lease of real property.
- (6) To consider license examinations and applications.
- (7) To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.
- (8) To consider its response to a confidential final draft audit report as permitted by Section 11126.2.
- (9) To provide for an interim executive officer of a state body upon the death, incapacity, or vacancy in the office of the executive officer.

* * *

Department of Consumer Affairs licensing boards would most likely hold a special meeting for the purposes set forth in subdivisions (1), (2), (3), (4), and (6).

3. Notice Requirements for a Special Meeting

A special meeting can be called at any time by the presiding officer or a majority of the members of the state body, provided the 10-day notice requirements of section 11125 "would impose a substantial hardship on the state body or where immediate action is required to protect the public interest." (§11125.4(a)) The only purposes for which the meeting can be held are those set forth above.

The normal 10-day advance notice is not required for special meetings. However, notice of the special meeting is required to be provided to each member of the state agency and to persons who have requested notice of the agency's meetings as soon as practicable after the decision to hold the meeting is made. Notice to members, newspapers of general circulation, and radio or television stations must be received at least 48 hours in advance of the meeting. Notice to newspapers, radio and television stations is satisfied by providing notice to all national press wire services. Notices to the general public may be given via appropriate electronic bulletin boards or other appropriate mechanisms. (§11125.4(b)) The notice must also be posted on the Internet at least 48 hours in advance of the meeting.

The notice must specify the time and place of the special meeting and the business to be transacted. In essence, an agenda would be prepared. No business

other than that noticed may be transacted. Notice is required even if no action is subsequently taken at the meeting. (§11125.4(b)) The notice must contain the Website address where the notice may be accessed on the Internet.

[CAVEAT: If the special meeting will have a closed session agenda item or items, or be held by teleconference, please refer to the discussion of additional requirements under those headings, below.]

4. Specific Requirements During Special Meetings

At the commencement of a special meeting, the agency must make a finding in open session that providing a 10-day notice of the meeting would pose a substantial hardship on the agency, or that immediate action is required to protect the public interest. The specific facts constituting the hardship or need for immediate action must be articulated. This finding must be adopted by a two-thirds (2/3) vote of the agency members present, or if less than two thirds of the members are present, by a unanimous vote of the members present. Failure to adopt the finding terminates the meeting. The agency's finding must be made available on the Internet. (§11125.4(c))

5. Specific Prohibitions on Holding a Special Meeting

As discussed above, a special meeting may only be held for the purposes set forth in section 11125.4(b). Other than the limitation on the purposes of the meeting, there are no statutory prohibitions in the Open Meeting Act on a board, committee, subcommittee or task force conducting a special meeting.

C. "Emergency" Meetings

1. Who May Hold an Emergency Meeting

A board, committee, subcommittee or task force may hold an emergency meeting.

2. Purposes for Which an Emergency Meeting May be Held

As noted above, S.B. 95 of 1997 recharacterized a number of "emergency" situations as "special" situations. This resulted in the narrowing of situations for which an emergency meeting may be held. Section 11125.5 provides an emergency meeting may be held only in the case of an "emergency situation," defined as:

"(1) Work stoppage or other activity that severely impairs public health or safety, or both.

"(2) Crippling disaster that severely impairs public health or safety, or both." (§11125.5(b))

3. Notice Requirements for an Emergency Meeting

An emergency meeting may be held without complying with the 10-day notice requirement in Section 11125 or the 48-hour notice requirement in Section 11125.4. However, newspapers of general circulation, television and radio stations that have requested notice of meetings shall be notified of the emergency by telephone at least one hour before the meeting. If telephone services are not functioning, notice is deemed waived. The notice must be posted on the Internet as soon as practicable after the decision to call an emergency meeting has been made. However, newspapers, television and radio must be notified as soon as possible after the meeting of the fact of the meeting, its purpose, and any action taken. (§11125.5(c))

4. Specific Requirements for an Emergency Meeting

The following are required to be posted in a public place and on the Internet for a minimum of 10 days, as soon as possible after the emergency meeting:

- * Minutes of the meeting
- * A list of persons notified, or attempted to be notified, of the meeting
- * Any action taken at the meeting
- * The rollcall vote on action taken (§11125.5(d))

5. Specific Prohibitions on Holding an Emergency Meeting

As discussed above, an emergency meeting may only be held for the purposes set forth in section 11125.5(b).

IV. CLOSED SESSIONS

A. Purposes for Which Closed Session Can be Held

"Closed" sessions were formerly called "executive" sessions. Since all references in the Open Meeting Act have been changed from "executive" session to "closed" session, throughout this memorandum we will refer to such sessions as "closed" sessions.

Section 11123 states that "All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article."

Section 11126 sets forth those specific items of business which may be transacted in closed session. Only those enumerated items of business may be conducted in closed session. An agency in the Department may convene a closed session pursuant to Section 11126 for the following purposes.

1. Personnel Matters

A board may meet in closed session to "... consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against such employee by another person unless the employee requests a public hearing." In order to consider such disciplinary action or dismissal the "employee shall be given written notice of his or her right to have a public hearing ... which notice shall be delivered to the employee personally or by mail at least 24 hours before the meeting." (§11126(a)) If such a notice is not given any action taken during a closed session for the above reason is null and void. Once the public hearing has been held, the agency may convene into closed session to deliberate on the decision to be reached. (§11126(a)(4))

Prior to January 1, 1995, section 11126(a) did not apply to employees who were appointed to their positions, such as executive officers, executive directors, and registrars (referred to as "executive officer" for convenience). For example, any decision or deliberations made in the selection or dismissal of an executive officer previously had to be conducted in open session. (68 Ops.Cal.Atty.Gen. 34.) However, with the enactment of SB 1316 (Stats. 1994, Chapt. 845) and SB 95 (Stats. 1997, Chapt. 949), a board can now meet in closed session to consider the appointment, employment, evaluation of, or dismissal of its executive officer, unless the executive officer requests a public hearing. (§11126(a)(1), (2)) SB 1316 supersedes the conclusion reached in 68 Ops.Cal.Atty.Gen. 34. As noted above, once the public hearing has been held, the state body may convene in closed session to deliberate on the decision to be reached. (§11126(a)(4))

If the executive officer does not request a public hearing, he or she must be given the opportunity for a hearing in closed session. After the hearing, the executive officer should be excused from the closed session, and the board may then continue in closed session to deliberate on the decision to be reached. (§11126(a)(4))

Section 11126(a) is not to be interpreted to mean that a board is required to handle civil service personnel matters itself. Normally, this function of an agency is administered by its executive officer in conjunction with the Director of Consumer Affairs, who shares authority with respect to civil service personnel.

2. Examination Matters

A board may meet in closed session to "prepare, approve, grade or administer examinations." (§11126(c)(1)) Essentially, this includes any discussion regarding the actual content of examinations, and their reliability and validity. If an agency is perusing examination samples in order to choose one over the others, this may be done in closed session. On the other hand, if an agency is discussing, for example, the general logistics of administering an examination, then this would not be proper subject matter for a closed session. A basic rule is that if a meeting concerns the grading, specific content, validity of an examination, or examination security, then it can and should be conducted in closed session.

Also, an agency may hear appeals from examinees or re-review examinations in closed session as this would be included in the "grading" of the examination.

3. Matters Affecting Individual Privacy

A committee, consisting of less than a quorum of the full board, may meet in closed session to:

" . . . discuss matters which the [committee] has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, . . . Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body's enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body." (§11126(c)(2))

Thus, review by a committee (or subcommittee of an examining committee) of an applicant's qualifications for licensure could properly be done in a closed session. Also, for example, an enforcement committee could convene in closed session to discuss an inquiry related to a particular licensee or licensees prior to any action being filed.

CAVEAT: This closed session provision does not authorize such a review by the full board. Nor does it generally authorize a committee of a board to review complaints, investigation reports, or other information to determine whether disciplinary or other action should be filed against a licensee.

To ensure that board members render an impartial and fair decision in considering an Administrative Law Judge's proposed decision, board members are precluded from involving themselves in the investigation or prosecution phase of an action. (§11430.10 *et seq.*) The board's role is that of judge in the case. If a particular board member has any significant involvement in the investigative or prosecution phases, he or she must disqualify himself/herself from participation in the board's action relative to the proposed decision, and not attempt to influence any other board member regarding the decision. Legal counsel should be consulted before any enforcement actions are discussed with individual licensees, as such discussions may impact participation by the member in a final decision on a case (§11430.60), and may require disclosures under the provisions of the state's Administrative Procedure Act. (§11430.50)

Even though these committee meetings may consist entirely of subject matter proper for closed session they are required to be noticed as discussed above.

4. Administrative Disciplinary Matters

A board may meet in closed session to deliberate on a decision in an administrative disciplinary proceeding under the Administrative Procedure Act. (§11400, *et seq.*; §11126(c)(3)) In the closed session, the board may decide whether to adopt a Proposed Decision, review a transcript of a hearing and render a decision of its own, deliberate upon evidence heard by the agency itself, or consider a stipulation.

This section does not authorize an agency to convene into closed session for the purpose of assigning cases, *i.e.* deciding whether a case should be heard by a hearing officer alone or by the agency itself with a hearing officer. This section does not authorize an agency to convene into closed session to review investigation files or complaints. Members of boards that have the discretion to hear cases should not review pending complaints or investigation files for the reasons given above.

5. Board of Accountancy Matters

The enforcement advisory committee established by the State Board of Accountancy pursuant to Business and Professions Code Section 5020 may convene in a closed session to "consider disciplinary action against an individual accountant prior to the filing of an accusation." (§11126(f)(3)) And the qualifications examining committee established by that board pursuant to Business and Professions Code Section 5023 may convene in closed session to "interview an individual applicant or accountant regarding the applicant's qualifications."

As noted above, such administrative and examining committee meetings are required to be noticed as previously discussed in this memorandum.

6. Pending Litigation

A board may meet in closed session to confer with or receive advice from its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation. (§11126(e)(1)) Again, please note the very specific notice requirements discussed below when a closed session is to be held to discuss "pending litigation". Litigation means an adjudicatory proceeding before a court, administrative body, hearing officer or arbitrator. Litigation is considered to be pending if, (1) it has been initiated formally (e.g. a complaint, claim or petition has been filed) or (2) based on existing facts and circumstances and on the advice of its legal counsel, the state body believes there is significant exposure to litigation against it, or it is meeting to decide whether a closed session is authorized because of significant exposure to litigation or (3) based on existing facts and circumstances, the state body has decided or is deciding whether to initiate litigation. (§11126(e)(2))

The agency's legal counsel must submit a memorandum which complies with the requirements of Section 11126(e)(2)(C)(ii) prior to the closed session if possible, but no

later than one week after the closed session. This document is confidential until the pending litigation has been finally adjudicated or otherwise settled. (§6254.25)

7. Response to Confidential Final Draft Audit Report

Section 11126.2 (added effective January 1, 2005) permits an agency to meet in closed session to discuss its response to a confidential final draft audit report from the Bureau of State Audits. However, once that audit report becomes final and is released to the public, the agency may only discuss it in open session.

8. Threat of Criminal or Terrorist Activity

Effective January 1, 2006, AB 277 (Chap. 288, Stats. 2005) authorizes an agency at a regular or special meeting to meet in closed session to consider "matters posing a threat or potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body," where disclosure of those considerations could compromise or impede the safety or security of the described subjects. The law (Section 11126(c)(18)) requires the agency to authorize the closed session by a two-thirds vote of the members present at the meeting.

9. Advisory Bodies/Committees May Meet in Closed Session

To the extent a licensing board, which is defined as a "state body" in the Open Meeting Act, is authorized to meet in closed session, then committees, subcommittees, or other bodies advisory to the licensing board, which are also defined as "state bodies," may meet in closed session for the same purposes as the licensing board. (§11126(f), (4)-(6))

10. Open Session Otherwise Required

Any other business transacted by an agency must be in open session. Only for the above-mentioned reasons may a board within the Department of Consumer Affairs meet in closed session. (§11132) A board may not meet in closed session for the purpose of electing officers or to discuss the proposal or adoption of rules and regulations. Further, a board may not convene in closed session to discuss testimony received during a hearing on proposed rules and regulations. Finally, an agency may not meet in closed session because it wants to have a frank and open discussion among only members on a matter of controversy. In order for an agency to meet in closed session, the closed session must be specifically authorized by statute.

B. Notice and Reporting Requirements for Closed Sessions

1. Notice of Closed Session

When a closed session will constitute part or all of a meeting, it is important to note Government Code Section 11126.3, which requires that:

"(a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. [A provision applicable to the Public Utilities Commission is not included herein.] If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126 [litigation has already commenced], the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage."

Thus, if the meeting will consist in part or in its entirety of a closed session, you must include on the notice of the meeting the above-described information. Pay particular attention to these very specific requirements if the closed session is to discuss pending litigation. Please note that to obtain legal advice in closed session concerning pending litigation, the notice must cite subdivision (e) of Section 11126 and your attorney must prepare a memorandum stating the specific reasons and legal authority for the closed session. Subdivisions of Government Code Section 11126, discussed under "Closed Sessions" above, will generally be the statutory authority cited.

If a closed session agenda to discuss pending litigation has been properly published, and an additional pending litigation issue subsequently arises, the state agency may discuss the new matter in closed session provided that postponement of the discussion would prevent the state agency from complying with any statutory, court-ordered, or other legally-imposed deadline. The state agency must publicly announce the title of, or otherwise identify, the litigation unless to do so would jeopardize the ability to effectuate service of process, or to do so would jeopardize the agency's ability to conclude existing settlement negotiations to its advantage. (§11126.3(d))

If you intend to have a closed session during your meeting, you should first contact your Legal Division attorney to ensure that a closed session is authorized and properly noticed.

2. Reporting After a Closed Session

Section 11126.3(f), requires a state body to convene in open session after a closed session and to report as required in Section 11125.2, which states that:

"Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body."

C. Other Procedural Requirements for Closed Sessions

There are certain additional requirements that must be met when closed sessions are to be held.

1. All closed sessions must be held during a regular or special meeting (§11128); they may not be scheduled independently of a noticed meeting of the board or committee. Where, for example, a board or committee meeting is scheduled to discuss only matters appropriate for a closed session, the meeting should be opened as a public meeting with an announcement immediately following that the agency will convene into closed session.

2. As discussed under "Notice Required," above, prior to holding the closed session the agency must announce the general reason(s) for the closed session and the specific statutory or other legal authority under which the session is held. (§11126.3 (a)) With respect to litigation that has already been initiated, it must announce the title of or otherwise identify the litigation. (§11126.3(a)) Other specific notice requirements, discussed above, also apply to notices regarding pending litigation. In the closed session, only matters covered in the statement may be discussed. (§11126.3(b))

3. The agency is required to designate a staff person to attend the closed session and to record in a minute book a record of topics discussed and decisions made. (§11126.1)

4. The minute book referenced in (3) is available only to members of the agency, or if a violation of the Open Meeting Act is alleged, to a court of general jurisdiction. (§11126.1)

5. Information received and discussions held in closed session are **confidential** and must not be disclosed to outside parties by members or staff who attended the closed session. A recent opinion of the Office of the California Attorney General concluded that:

"A local school board member may not publicly disclose information that has been received and discussed in closed session concerning pending litigation unless the information is authorized by law to be disclosed." (80 Ops.Cal.Atty.Gen. 231)

That opinion also cited a previous opinion, in which the Attorney General stated that "We have ... routinely observed that it would be *improper* for information received during a closed session to be publicly disclosed." (76 Ops.Cal.Atty.Gen. 289, 290-291; Emphasis in the original.)

V. MEETING BY TELECONFERENCING

Prior to January 1, 1995, the Bagley-Keene Open Meeting Act contained no provision for conducting meetings where the participating members were not physically present in one location.

Effective 1/1/95, subdivision (b) was added to Government Code section 11123 to authorize meetings by teleconference. (Stats. 1994, Chapt. 1153; AB 3467) That subdivision has been amended several times, most recently by AB 192 of 2001, and it currently provides:

"(a) All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article.

"(b) (1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(F) At least one member of the state body shall be physically present at the location specified in the notice of the meeting.

(2) For the purposes of this subdivision, 'teleconference' means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video."

A method is thus available whereby meetings may be conducted by audio or video teleconferencing provided the criteria set forth in the statute have been met. Note the restriction in subdivision (b)(1)(E) that prohibits a closed session emergency meeting. Emergency meetings in open session may be conducted by teleconference.

We emphasize that the law now requires every teleconference meeting location to be identified in the notice and agenda and to be open to the public. Most importantly, the members of the agency must attend the meeting at a public location. Members are no longer able to attend the meeting via teleconference from their offices, homes, or other convenient location unless those locations are identified in the notice and agenda, and the public is permitted to attend at those locations. Nothing prohibits additional locations, where only the public is connected to the teleconference meeting. (§11123(b)(2))

VI. DELIBERATIONS AND VOTING

Keep in mind the Open Meeting Act declaration of legislative intent that actions of state agencies be taken openly and that their deliberation be conducted openly. (§11120) In this regard, there are a number of provisions in the Open Meeting Act which address deliberations and voting.

A. Seriatim Calls to Individual Agency Members Prohibited

Except as authorized by the above-discussed teleconferencing statutes, telephone conference calls may not be used to avoid the requirements of the Open Meeting Act. A conference call including members of a board, committee, subcommittee or task force sufficient to constitute a majority of that state body is prohibited, except pursuant to an authorized teleconference meeting.

In a case involving the Ralph M. Brown Act, the court concluded that a series of one-to-one telephone calls between members of a local body, where the purpose of the calls was to obtain a collective commitment on an issue, constituted a violation of the Act. (*Stockton Newspapers, Inc. v. Members of the Redevelopment Agency of the City of Stockton* (1985) 171 Cal.App.3d 95) The Brown Act is the local agency counterpart to the Bagley-Keene Open Meeting Act, and decisions rendered on its provisions are frequently followed in Open Meeting Act cases.

Citing the *Stockton Newspapers, Inc.* case, the court in *Sutter Bay Associates v. County of Sutter* held that to prevent evasion of the Brown Act, a series of private meetings (known as serial meetings) by which a majority of the members of the legislative body commit themselves to a decision concerning public business or engage in collective deliberation on public business would violate the open meeting requirement. ((1997) 58 Cal.App.4th 860, 877, 68 Cal.Rptr.2d 492, 502)

Effective January 1, 2010, the Act now specifically prohibits serial communications between a majority of members "to discuss, deliberate, or take action on any item of business that is within the subject matter of the state agency." (Emphasis added.)

B. E-Mail Prohibition

AB 192 of 2001 added subdivision (b) to section 11122.5 to provide:

"Except as authorized pursuant to Section 11123, any use of direct communication, personal intermediaries, or technological devices that is employed by a majority of the members of the state body to develop a collective concurrence as to action to be taken on an item by the members of the state body is prohibited."

The enactment of subdivision (b) of section 11122.5, expands upon and confirms a recent opinion of the Attorney General prohibiting the use of e-mail to reach a collective decision outside a regularly scheduled meeting. In 84 Ops.Cal.Atty.Gen. 30, the Attorney General concluded that:

"A majority of the board members of a local public agency may not e-mail each other to develop a collective concurrence as to action to be taken by the board without violating the Ralph M. Brown Act even if the e-mails are also sent to the secretary and chairperson of the agency, the e-mails are posted on the agency's Internet website, and a printed version of each e-mail is reported at the next public meeting of the board."

As noted above, interpretations of the Brown Act, which governs local public agencies, are often cited as authority in interpreting similar provisions of the Bagley-Keene Open Meeting Act.

Members of a board must refrain from calling or otherwise contacting other members on a one-to-one basis, or conducting serial meetings, in order to discuss, deliberate, or take action outside the meeting on a matter within the subject matter of the board.

C. Secret Ballot Prohibited

An agency may not vote by secret ballot in a public meeting nor vote in closed session on any matter where discussion, deliberations, or action taken is required to be in an open meeting. (68 Ops.Cal.Atty.Gen. 65, 69)

For example, the election of board officers may not be conducted by secret ballot or in closed session.

D. Voting by Proxy Prohibited

Voting by proxy is not authorized. (68 Ops.Cal.Atty.Gen. 65, 70)

E. Use of Electronic Devices During Meeting

Board members should not text or email each other during an open meeting on any matter within the board's jurisdiction. Using electronic devices to communicate secretly on such a matter would violate the law. Where laptops are used by board members at the meeting because the board provides board materials electronically, the board president should make an announcement at the beginning of the meeting as to the reason for the laptops. We suggest the following (or something similar):

"You may notice board members accessing their laptops during the meeting. They are using the laptops solely to access the board meeting materials which are in electronic format."

F. Voting by Mail on Administrative Disciplinary Matters

As a general rule, all voting on items of business to be transacted must be done at a public meeting. However, the Administrative Procedure Act authorizes mail voting on all questions arising under that act. (Govt. Code §11526.) Thus, board members may vote by mail on proposed decisions, stipulated decisions, and other matters in connection with a formal disciplinary case. No other votes may be cast by mail. (68 Ops.Cal.Atty.Gen. 65, 69)

VII. MISCELLANEOUS PROVISIONS

There are several provisions governing public meetings which do not fit under any of the above headings, but of which you should be aware.

A. Conforming Board Member's Conduct

Any person who has been appointed as a member of a state body, who has not yet assumed the duties of the office, must conform his or her conduct to the provisions of the Open Meeting Act. (§11125.95)

B. Providing Open Meeting Act to New Board Members

A copy of the Bagley-Keene Open Meeting Act must be provided to each agency member upon his or her appointment to office. Each agency should insure that a copy is given to each new member. (§11121.9.)

C. Prohibition on Placing Conditions on Public's Attendance

1. Sign-in

No person can be required to register or sign-in or fulfill any other condition in order to attend a public meeting of an agency. While a person who wishes to make public comment may be asked to identify himself or herself for the board's record or minutes, a commenter cannot be compelled to do so or prevented from speaking because the commenter refuses to identify himself or herself.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, "it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document." (§11124)

2. Discrimination in Admittance to Meeting Facility

A meeting may not be held in any facility that prohibits the admittance of any persons on the basis of race, religious creed, color, national origin, ancestry, or sex. (§11131)

3. Access for the Disabled

All meetings must be accessible to the disabled. (§11131)

4. Charging a Fee or Requiring a Purchase for Access

The Open Meeting Act prohibits holding a meeting in any location where the public is required to pay a fee or make a purchase to attend. (§11131)

D. Agency Recording of the Proceedings

A tape or film record of an open and public meeting made by the agency must be made available for public inspection under the California Public Records Act, but may be erased or destroyed 30 days after the taping or recording. An inspection must be provided without charge on an audio or video tape player made available by the state agency. (§11124.1(b))

E. Public's Right to Record the Proceedings

Persons attending a public meeting have a right to record the proceedings with an audio or video tape recorder or still or motion picture camera, in the absence of a reasonable finding by the agency that the recording could not continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings. (§11124.1(a))

F. Media Broadcast of the Proceedings

A state body may not prohibit or otherwise restrict the broadcast of a public meeting in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings. (§11124.1(c))

G. Webcasting

While webcasting is not required, if you plan to webcast your meeting, we encourage you to place the following statement on your agenda:

"While the board intends to webcast this meeting, it may not be possible to webcast the entire open meeting due to limitations on resources."

H. Taking Agenda Items Out of Order

Items listed on the agenda may be taken up out of order, provided the purpose of moving the agenda items is not to frustrate public or other input on the item. It is a good practice to note on either the top or the bottom of your agenda that "All times indicated and the order of business are approximate and subject to change," to alert members of the public this is a possibility.

If your agency schedules a multiple day meeting and may move items scheduled for a subsequent day to an earlier day, you should provide notice of this possibility on your agenda. Suggested language is that "Items scheduled for a particular day may be moved to an earlier day to facilitate the board's business." Again, the purpose may not be to frustrate public or other input.

I. Opportunity for Public Comment at Meetings

Section 11125.7 addresses the subject of public comment at board meetings. With specified exceptions, that section requires state agencies to provide an opportunity for members of the public to directly address the state agency on each agenda item before or during the agency's discussion or consideration of the item. This opportunity for comment need not be made available if:

1. The agenda item has previously been considered at a public meeting by a committee comprised exclusively of board members, where members of the

public were provided an opportunity to address the item. However, if the item has been substantially changed since the committee meeting, a new opportunity to address the agency would be required at the full board meeting.

2. The agenda item is one that may properly be considered in closed session, which would include deliberation and action on disciplinary proceedings under the Administrative Procedure Act. (§11125.7)

If a board wishes to establish a standing rule that discussion of agenda items will be given a specified amount of time, or that public comment will be limited to a certain amount of time, the board may do that by adopting an administrative regulation. (§11125.7(b))

The law specifically provides that a state agency may not prohibit public criticism of its policies, programs, or services, or of the acts or omissions of the agency. (§11125.7(c))

VIII. DISCLOSURE OF DOCUMENTS

A. Documents Distributed Prior to the Meeting

When writings which are public records are distributed to all, or a majority of all, of the members of a board or committee for discussion or consideration at a public meeting, the writings must be made available for public inspection. Generally, the records must be made available for inspection at the time of distribution to agency members. (§11125.1(a)) Records exempt from disclosure under Sections 6253.5, 6254 or 6254.7 of the Public Records Act need not be disclosed even though the subject matter of the records may be considered or discussed at the meeting. This includes records which are drafts, notes or memoranda which will not be retained by the agency, attorney-client privileged communications, records of pending litigation and claims against the state, personnel, medical or similar files, complaint and investigation files, except for Accusations and Proposed Decisions, and any records or data relating to examinations.

B. Documents Distributed During the Meeting

When public records pertaining to an agenda item are prepared by the state body or a member of the state body, and distributed to state body members during a meeting, the documents must be made available for public inspection at the meeting. If records are prepared by some other person, and distributed to members of the state body during a meeting, the documents must be made available for public inspection after the meeting. (§11125.1(b)) Records exempt from public disclosure under specified statutes are not required to be publicly disclosed. (§11125.1(a), (b))

C. Charging a Fee for Public Documents

Under section 11126.7, an agency may not charge a fee for a notice, including the agenda, of a meeting, and may only charge those fees specifically authorized for public documents that are considered at the meeting

At its discretion, an agency may charge a fee to cover reproduction costs for providing the documents required to be made available, as discussed in paragraph (B), immediately above. If an agency charges a fee, it is limited to the direct costs of duplication authorized in Section 6257 for the reproduction of public records. (§11125.1(c))

Effective January 1, 2003, documents distributed prior to or during a meeting that are public records must be made available, upon request by a person with a disability, in appropriate alternative formats. No extra charge can be imposed for putting those documents into an alternative format.

IX. PENALTIES

Under previous law, any interested person could commence court action (mandamus, injunction, declaratory relief) to stop or prevent violations or threatened violations of the Open Meeting Act. SB 95, effective 1/1/98, added the Attorney General and the district attorney to the list of those who may commence such action. Court costs and reasonable attorney's fees may be awarded to a successful plaintiff to be paid from the funds of the agency. (§11130.5)

SB 95 also expanded the law to authorize the Attorney General, a district attorney, or any interested person to seek court action "to determine whether any rule or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, ..." (§11130(a)) This appears to be a rather unique provision, and its implications are unknown at this time.

SB 95 further expanded the law to authorize the Attorney General, a district attorney, or any interested person to seek a court action to compel a state agency to tape record its closed sessions. Upon a judgment of a violation of Section 11126, a court could so compel an agency. Discovery procedures for the tape recordings are also set forth. (§11130(b), and (c))

Section 11130.3 authorizes a person to institute a court action to obtain a judicial determination that an action taken in violation of the notice provisions or the provisions governing closed sessions of the Act is null and void. Court costs and reasonable attorney's fees may also be awarded to a successful plaintiff under this section. This section reinforces the need for a specific, informative agenda as required by Section 11125.

These remedies extend to past actions of an agency. The statute of limitations for bringing an action is 90 days. (§§11130(c) and 11130.3(a)).

Section 11130.7 of the Act provides:

"Each member of a state body who attends a meeting of such body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled, is guilty of a misdemeanor."

BAGLEY-KEENE OPEN MEETING ACT - 2014

11120. Public policy; legislative finding and declaration; citation of article

It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

(c) An advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body of a state body, if created by formal action of the state body or of any member of the state body, and if the advisory body so created consists of three or more persons.

(d) A board, commission, committee, or similar multimember body on which a member of a body that is a state body pursuant to this section serves in his or her official capacity as a representative of that state body and that is supported, in whole or in part, by funds provided by the state body, whether the multimember body is organized and operated by the state body or by a private corporation.

11125.1. Agendas and other writings distributed for discussion or consideration at public meetings; public records; Franchise Tax Board; inspection; availability on the Internet; closed sessions

(a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings,

BAGLEY-KEENE OPEN MEETING ACT - 2014

when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the American with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed to members of the state body by the Franchise Tax

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(3) Made available on the Internet.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named tax or fee payer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request or have requested copies of these writings.

(3) Made available on the Internet.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the

BAGLEY-KEENE OPEN MEETING ACT - 2014

federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public's right to inspect any record required to be disclosed by that act, or to limit the public's right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) "Writing" for purposes of this section means "writing" as defined under Section 6252.

11125.4. Special meetings; authorized purposes; notice; required finding of hardship or need to protect public interest

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes where compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

(1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(4) To consider disciplinary action involving a state officer or employee.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of

the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

(a) An emergency meeting may be called at any time by the president of the Fish and Game Commission or by a majority of the members of the commission to consider an appeal of a closure of or restriction in a fishery adopted pursuant to Section 7710 of the Fish and Game Code. In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of an established fishery, the commission may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4 if the delay necessitated by providing the 10-day notice of a public meeting required by Section 11125 or the 48-hour notice required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely impact the sustainability of a fishery managed by the state.

(b) At the commencement of an emergency meeting called pursuant to this section, the commission shall make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 or 48 hours prior to a meeting as required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the

BAGLEY-KEENE OPEN MEETING ACT - 2014

people of the state or significantly adversely impact the sustainability of a fishery managed by the state. The finding shall set forth the specific facts that constitute the impact to the economic benefits of the fishery or the sustainability of the fishery. The finding shall be adopted by a vote of at least four members of the commission, or, if less than four of the members are present, a unanimous vote of those members present. Failure to adopt the finding shall terminate the meeting.

(c) Newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the commission, or a designee thereof, one hour prior to the emergency meeting by telephone.

Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

The state body shall designate a clerk or other officer or employee of the state body, who shall then attend each closed session of the state body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. BAGLEY-KEENE OPEN MEETING ACT - 2014

inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be kept confidential. The minute book shall be available to members of the state body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction. Such minute book may, but need not, consist of a recording of the closed session.

(Added by Stats.1980, c. 1284, p. 4340, § 12.
Amended by Stats.1981, c. 968, p. 3691, § 13.)

11126.2. Closed session; response to confidential final draft audit report; public release of report

(a) Nothing in this article shall be construed to prohibit a state body that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a state body meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

(Added by Stats.2004, c. 576 (A.B.1827), § 2.)

11126.3. Disclosure of nature of items to be discussed in closed

session; scope of session; notice of meeting; announcement of pending litigation; unnecessary disclosures; disclosures at open session following closed session

(a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one

BAGLEY-KEENE OPEN MEETING ACT - 2014

or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of

names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

(f) After any closed session, the state body shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Section 11125.2 of action taken in the closed session.

(g) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcement.

BAGLEY-KEENE OPEN MEETING ACT - 2014

secrets, nonpublic financial data, confidential or proprietary information, and other data and information, the public disclosure of which is prohibited by law or a tribal-state gaming compact.

(b) Discussion in closed session authorized by this section shall be limited to the confidential data and information related to the agenda item and shall not include discussion of any other information or matter.

(c) Before going into closed session the commission shall publicly announce the type of data or information to be discussed in closed session, which shall be recorded upon the commission minutes.

(d) Action taken on agenda items discussed pursuant to this section shall be taken in open session.

(Added by Stats. 2005, c. 274 (S.B. 919), § 1.)

11126.5. Disorderly conduct of general public during meeting; clearing of room

In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting the state body conducting the meeting may order the meeting room cleared and continue in session. Nothing in this section shall prohibit the state body from establishing

a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. Notwithstanding any other provision of law, only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section.
