# MEMORANDUM

**Date:** April 21, 2014  
**To:** Board Members

**From:** Robert Puleo  
Executive Officer

A handwritten signature in black ink, appearing to read 'R. Puleo', written over the printed name.

**Subject:** Ratification of Formerly Denied License Applications

The Board of Chiropractic Examiners (Board) denies licensure to applicants who do not meet all statutory and regulatory requirements for a chiropractic license in California. An applicant has 60-days after the denial is issued to appeal the decision. If the applicant does not submit an appeal to the Board, the denial is upheld.

During January 1, 2014 and March 31, 2014, staff reviewed and confirmed that applicants met all statutory and regulatory requirements for licensure. There were no denials or appeals during this time period.

At this time, no ratification is necessary.

If you have any questions or concerns, please contact me at your earliest opportunity.

State of California  
Edmund G. Brown Jr., Governor
