Update on Enforcement Committee Meeting

Purpose of the item

The Board will receive an update from the February 8, 2018 committee meeting.

Action(s) requested

N/A.

Background

The Enforcement Committee met on February 8, 2018 to review and discuss the Strategic Plan goals assigned to the Committee. The Committee held a discussion on enforcement statistical information provided at Board meetings and the standardized training and evaluation of expert consultants. Additionally, the Committee discussed potential enforcement issues resulting from misleading advertising by licensees.

2017-2019 BCE Strategic Plan

Strategic Plan Action item 2.1.4, "Publish Expert Witness Guidelines in the Licensees and Publications tabs of Board website" has been an ongoing topic of discussion in this Committee. The Committee discussed the possible revision of the Expert Witness program to ensure consistency among expert consultant reports. Additionally, the Committee announced that Strategic Plan Action item 2.4.1, "Create an outreach document that provides information on potential violations resulting from social media activity", has been completed. The outreach document was included in the Winter/Spring 2018 newsletter.

Enforcement Data provided at BCE Meetings

At the July 19, 2017 Enforcement Committee meeting, members expressed interest in regularly discussing enforcement statistical information during Committee meetings. Members desire to monitor data effectively, streamline the enforcement process and inform stakeholders of the Board's progress towards meeting its enforcement goals. The Committee discussed enforcement data provided as a sample and determined that it would be beneficial to include a brief summary of the nature of violations in the BCE disciplinary action report that is provided at Board meetings.

Standardized Training and Evaluation of Expert Consultants

Following the completion and approval of the 2014-2017 BCE Strategic Plan, the Board developed standards to evaluate expert consultants and defined their responsibilities to establish consistency among expert consultant reports.

At the February 8, 2018 Enforcement Committee meeting, members reviewed current expert consultant training materials and discussed existing deficiencies in the materials and the expert referral process. Additionally, the Committee discussed the possibility of a revision in the criteria and standards for expert consultant selection to ensure effectiveness and consistency in expert consultant selection process.

At the February 8, 2018 meeting, the Committee also decided to continue working with staff to enhance the expert witness selection criteria, standards, process, training materials, and application.

False, Misleading and Deceptive Advertising by Licensees

At the February 8, 2018 meeting, the Committee identified the area of false, misleading, and deceptive advertising as an area of concern. Many of the complaints received by the Board are related to potential advertising violations. It is the Committee's belief that increased education to licensees regarding the chiropractic law and regulations is one way to begin addressing this issue. The Committee directed staff to start by informing licensees that the rules and regulations can be found on the Board's website and provide a link to the law wherever possible.
