

PETITION FOR EARLY TERMINATION OF PROBATION

Section 10(b) of the Chiropractic Initiative Act states that the Board shall conduct a proceeding in accordance with Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code. Government Code section 11522 provides for a licensee to petition the Board for early termination of probation if he or she meets the following requirements:

- One year has elapsed from the effective date of the decision ordering disciplinary action; or
- One year has elapsed since a petition was previously filed pursuant to Section 10(b) of the Chiropractic Initiative Act and the petitioner was afforded a hearing; or

If you meet the above requirements, you may petition the Board for an early termination of your probation by completing and submitting the attached petition form. When completing your petition, please refer to the attached "Guidelines for Petitions for Restoration, Reduction of Penalty, and Early Termination of Probation." These guidelines outline the rehabilitation criteria the Board has determined a petitioner should meet when petitioning for license restoration, reduction of disciplinary penalty, or early termination or probation.

Early release from probation shall be provided only in exceptional circumstances, such as when the Board determines that the probationary terms imposed have been excessive considering both the violation and law charged and the supporting evidence, or when there is substantive evidence that there is no more need for probationary supervision of the license. As a rule, no early termination of probation will be granted unless the probationer has at all times been in compliance with the terms and conditions of his or her probation.

Submit the petition with the required documents to the address above, to the attention of the enforcement unit. The petition will be processed and scheduled for the requested Board meeting, unless otherwise notified. Please be advised that you should allow 45 days for the processing of your petition, and the petition set for hearing. To view a current list of Board meeting dates refer to our website.

You will be notified in writing of the hearing date. At the hearing, you will be afforded the opportunity to present both oral and written evidence of your rehabilitation; and you may, but need not be, represented by counsel. In deciding the case, the Board will take into consideration the petition, all recommendations, and any oral or written evidence. The Board will be represented by the Attorney General's Office and an administrative law judge will preside over the hearing.
